Some Suggestions For Using Elements Of Literature:

Elements of Literature Carl H. Klaus, Robert Scholes, 1997-06-02 **Language Disorders from Infancy Through Adolescence - E-Book** Rhea Paul, Courtenay Norbury, 2012-01-14 **Language Disorders from Infancy Through Adolescence** 4th Edition is the go to text for all the information you need to properly assess childhood language disorders and provide appropriate treatment. This core resource spans the entire developmental period through adolescence and uses a descriptive developmental approach to present basic concepts and vocabulary. An overview of key issues and controversies, the scope of communicative difficulties that make up child language disorders and information on how language pathologists approach the assessment and intervention processes. This new edition also features significant updates in research trends, instruction, best practices and social skills assessment. Comprehensive text covers the entire developmental period through adolescence. Clinical application focus featuring case studies, clinical vignettes and suggested projects helps you apply concepts to professional practice. Straightforward conversational writing style makes this book easy to read and understand. More than 230 tables and boxes summarize important information such as dialogue examples, sample assessment plans, assessment and intervention principles, activities and sample transcripts. UNIQUE Practice exercises with sample transcripts allow you to apply different methods of analysis. UNIQUE Helpful study guides at the end of each chapter help you review and apply what you have learned. Versatile text is perfect for a variety of language disorder courses and serves as a great reference tool for professional practitioners. Highly regarded lead author Rhea Paul lends her expertise in diagnosing and managing pediatric language disorders. Communication development milestones are printed on the inside front cover for quick access. Chapter objectives summarize what you can expect to learn in each chapter. Updated content features the latest research, theories, trends and techniques in the field. Information on autism incorporated throughout the text. Best practices in preliteracy and literacy instruction. The role of the speech language pathologist on school literacy teams and in response to intervention. New reference sources. Student Professional Resources on Evolve include an image bank, video clips and references linked to PubMed.

An Empirical Study of EFL Writing at Primary School Ruth Trüb, 2022-05-16 This book presents a research study investigating young foreign language learners' ability to compose communicative texts in English. It reviews current research on young learners' EFL writing, reports on the learners' EFL writing competence, describes text quality at different CEFR language levels and discusses current teaching practices and the learners' perception of EFL writing.
