Somebodys Husband Somebodys Son:

Somebody's Husband, Somebody's Son Gordon Burn, 2011-06-16 It seemed the case of the notorious Yorkshire Ripper was finally closed when Peter Sutcliffe was sentenced to life imprisonment in 1981 But in the early 1980s Gordon Burn spent three years living in Sutcliffe's home town of Bingley researching his life A modern classic Somebody's Husband Somebody's Son offers one of the most penetrating and provocative insights into the mind of a murderer ever written A book which will with some justice be compared to In Cold Blood and The Executioner's Song It's as if Thomas Hardy were also present at the writing of this account of the Yorkshire Ripper Norman Mailer

Seasons in the Sun Dominic Sandbrook, 2012-04-19 Dominic Sandbrook's magnificent account of the late 1970s in Britain the book behind the major BB2 series The Seventies In this gloriously colourful book Dominic Sandbrook recreates the extraordinary period of the late 1970s in all its chaos and contradiction revealing it as a decisive point in our recent history Across the country a profound argument about the future of the nation was being played out not just in families and schools but in everything from episodes of Doctor Who to singles by the Clash These years saw the peak of trade union power and the apogee of an old working class Britain but also the birth of home computers the rise of the ready meal and the triumph of the Grantham grocer's daughter who would change our history forever Reviews Magnificent if you lived through the late Seventies or for that matter even if you didn't don't miss this book Mail on Sunday Sandbrook has created a specific style of narrative history blending high politics social change and popular culture always readable and assured Anyone who genuinely believes we have never been so badly governed should read this splendid book Stephen Robinson Sunday Times Sandbrook has a remarkable ability to turn a sow's ear into a silk purse His subject is depressing but the book itself is a joy it benefits from an exceptional cast of characters As a storyteller Sandbrook is without doubt superb he is an engaging history capable of impressive insight When discussing politics Sandbrook is masterful Seasons in the Sun is a familiar story yet seldom has it been told with such verve Gerard DeGroot Seven A brilliant historian I had never fully appreciated what a truly horrible period it was until reading Sandbrook You can see all these strange individuals Thatcher Rotten Larkin Benn less as free agents expressing their own thoughts than as the inevitable consequence of the economic and political decline which Sandbrook so skilfully depicts A N Wilson Spectator Nuanced Sandbrook has rummaged deep into the cultural life of the era to remind us how rich it was from Bowie to Dennis Potter Martin Amis to William Golding Damian Whitworth The Times Sharply and fluently written entertaining By making you quite nostalgic for the present Sandbrook has done a public service Evening Standard About the author Born in Shropshire ten days before the October 1974 election Dominic Sandbrook was educated at Oxford St Andrews and Cambridge He is the author of three hugely acclaimed books on post war Britain Never Had It So Good White Heat and State of Emergency and two books on modern American history Eugene McCarthy and Mad as Hell A prolific reviewer and columnist he writes regularly for the Sunday Times Daily Mail New Statesman and BBC History
