My Throat an Open Grave Tori Bovalino,2024-02-20 Labyrinth meets folk horror in this darkly romantic tale of a girl who wishes her baby brother away to the Lord of the Wood Growing up in the small town of Winston Pennsylvania feels like drowning Leah goes to church every Sunday works when she isn t at school and takes care of her baby brother Owen Like every girl in Winston she tries to be right and good and holy If she isn t the Lord of the Wood will take her and she ll disappear like so many other girls before her But living up to the rigorous standards of the town takes its toll One night when Owen won t stop screaming Leah wishes him away and the Lord listens The screaming stops and all that s left in the crib is a small bundle of sticks tied with a ribbon Filled with shame and the weight of the town s judgment Leah is forced to cross the river into the Lord of the Wood s domain to bring Owen back But the devilish figure who has haunted Winston for

generations isn t what she expects He tells her she can have her brother back for the price of a song A song that Leah will have one month to write It s a bargain that will uncover secrets her hometown has tried to keep buried for decades And what she unearths will have her questioning everything she s been taught to fear     *Someone Else's Child* Debbie Bell,2012-11 This is a true account of my life until age 45 Years I have written it in the hope that it will inspire and encourage those who have experienced the effects of being without their biological families being placed with the wrong people and other various experiences which are emotionally draining When faced with difficult situations I felt that I could not give up trying as often I found myself in situations that were not of my own making I am sincerely hoping that this account will show people not to give up too soon because sometimes you end up being given the Greatest Gift of All     *Taken to the Grave* M.M.

**Grave Doubts** John Moss,2009-04-13 The discovery of two headless corpses dressed in colonial clothing and locked in a grisly embrace draws Detectives Miranda Quin and David Morgan of the Toronto Police Service into a Gothic mixture of sex and death that ultimately threatens their survival What if the difference between good and evil is only perception Beginning with morbid curiosity Miranda and Morgan get caught up in a story of inspired depravity Through revelations in such diverse locations as a Toronto demolition site a lonely farmhouse on Georgian Bay the crypt of a derelict church and inside the murky depths of a shipwreck this perverse account of love lust and murder builds to a horrific crescendo Seduced by their own personal demons Quin and Morgan might not find their considerable skills and strong bonds enough this time to help them overcome the terrors that await
