On Becoming Responsible Michael S. Pritchard, 1991 Pritchard provides a deliberate and convincing argument for a starting point for the discussion of moral development on in which self regard and empathy provide equally essential groundings for individual morality Drawing essential elements from the work of Reid Strawson Rawls Kohlberg and Gilligan he builds a comprehensive framework for tracing moral development from childhood one that allows human morality to be grounded in both reason and emotion and that recognizes the importance to morality of justice and rights as well as caring and responsibility

They Don't Like Me Jane Katch, 2003 In her new book Jane Katch explores the painful problems of bullying teasing and exclusion Why she wonders does a young child just becoming aware of the existence of the group feel such a strong need to keep another child out And is it possible to teach children to create social groups that aren t defined by excluding others With her acute eye and deft pen Katch watches her class of four and five year olds begin to form exclusionary groups and tells us what happens as she tries to intervene Her classroom has a rule based on Vivian Paley s work You can t say you can t play It works well until a new child joins the class Zoe braids flying behind her insists on having

things her way and wants the other children's games to conform to her wishes she's scared of roaring she kicks and she's terrified of losing her tenuous place in the group She's also a wildly wonderfully imaginative child but the rule of fairness is not by itself enough to address the dynamics of this classroom Zoe's endless troublemaking sends Katch on a quest to better understand why some kids exclude others Talking with her brother who teased her as a child with high school kids and as always with her class Katch comes to new understandings of why some kids bully and scapegoat how other kids get through the experience and how she as a teacher might intervene They Don't Like Me is at once a fascinating absorbing look into the social lives of children and a book for teachers and parents who are trying to understand how to prevent exclusion and how to support children who are being teased and bullied
