*The Psychology of Personal Magnetism* Theron Q. Dumont, 2010-01-01 One of many books on mind powers and the supernatural that Theron Q. Dumont wrote *The Psychology of Personal Magnetism* is an explanation and guide for using your mind to influence and affect others in a positive way. Dumont aka Atkinson instructs readers not to be selfish with their powers of persuasion but to develop them for good. Within he covers how to develop mental and physical power, how to develop magnetism and its affects, how to avoid unwanted or hurtful attraction, and how to use personal magnetism to approach and encourage love and marriage. THERON Q. DUMONT is an alias and pen name of American writer WILLIAM WALKER ATKINSON 1862-1932, editor of the popular magazine *New Thought* from 1901 to 1905 and editor of the journal *Advanced Thought* from 1916 to 1919. He authored dozens of *New Thought* books under numerous pseudonyms including Yogi, some of which are likely still unknown today.

**Your Magnetic Heart** Ruediger Schache, 2014-03-15 Most people have the same fundamental yearnings and questions inside of them. Most of us agree the most common desire by far is to love and to be loved. And yet for so many people love in its many forms poses the most difficult challenge of all. *Your Magnetic Heart* reveals the nature of the mysterious force of charisma and attraction which is present in us all and which determines the course of our relationships and our lives. German seminar leader, life coach, and author Ruediger Schache introduces the spiritual and psychological concept of the heart magnet and how readers can attune themselves and get in touch with it to find their true life path. This important process is explained by revealing ten essential secrets which emphasize self-reflection. The description of each secret is accompanied by practical advice, a number of real-life case histories, and insights from age-old and new spiritual figures, seers, and thinkers. Those who embrace these concepts can develop a new consciousness and improve their inner clarity, outer relationships, and fortune. By understanding the force of the heart magnet within them, readers can learn to attract precisely those people and events into their lives that they have been longing for.

**The Advanced Course in Personal Magnetism** Theron Q. Dumont, 2005-11-01 An attractive manner is assured if we will avoid the following: Sarcasm, impertinence, ridicule, hot temper, profanity, roughness, brutality, vulgarity, a loud voice, and grouchiness. From Chapter III: The Development of Your Magnetic Power. The New Thought movement of the turn of the twentieth century combined Christian spirituality with the paranormal in order to give practical expression to the forces of the universe. Or so its proponents believed. One of the most influential thinkers of this early New Age philosophy promises here in this 1914 book to share in a condensed, non-mystical style all I have been able to learn of this wonderful power of personal magnetism. Mysteries revealed include the secrets of being naturally magnetic, the development of your magnetic power, how to use your personality to win the affection of the opposite sex, how to cultivate success, how to protect yourself against injurious thought, attraction, how to make yourself a great power in the world, a formula for creating happiness. Today's hunger for self-help, personal empowerment, and pop spirituality has its origins in a craving for self-improvement that's a century old as this
