was like to be with and as he tells it what it was like to become David Foster Wallace If you can think of times in your life that you've treated people with extraordinary decency and love and pure uninterested concern just because they were valuable as human beings The ability to do that with ourselves To treat ourselves the way we would treat a really good precious friend Or a tiny child of ours that we absolutely loved more than life itself And I think it's probably possible to achieve that I think part of the job we're here for is to learn how to do it I know that sounds a little pious David Foster Wallace Records & Briefs
