*Essays on Balance: There Is Something Out There. It Is Nothing, Yet, It Is Everything. It Is Eternal.* Richard A. Frank, 2016-04-27 Essays on Balance is a collection of thirty three essays that explores possible answers to that one guiding question Why is the world the way it is Split into two parts it explores first the most fundamental questions about the workings of nature energy entropy time space change life and the universe and it investigates them in a way that both laypersons and experts will enjoy reading In the second part considerations about human nature are explored as they relate to the self the collective self virtue and vice religion politics free will good and evil and the concept of God Approaching these considerations from an innovative worldview it explains both nature and human nature as an indissoluble whole bound by the universal laws of balance
