Something Special Horse:

Frosty: The Adventures of a Morgan Horse Ellen F. Feld, 2021-03-01 Frosty the second book in the Morgan Horse series continues the adventures of Heather Richardson and her horse Blackjack In addition the story introduces a new character a rare gray Morgan named Frosty Through Frosty Heather realizes that not all horses are meant to be show ring stars Although disappointed at first she soon discovers that Frosty s real talent lies in the area of trail riding and it isn t long before Heather loves this sport She and Frosty become trail buddies and must learn to trust each other if they are to survive the woods of Vermont Winner of the national book award Children s Choices co sponsored by The International Reading Association and The Children s Book Council A total of 12 000 children from around the country voted on their favorite books An Accelerated Reader Book Piper's Stories Monty Jordan, 2019-07-08 This book was a pleasure for me to write It started as a pen pal project with my nine year old granddaughter so we could stay in touch Well after a couple of letters back and forth I decided to start writing and sending her Bible stories The letters developed into a collection of eleven Bible stories that a child can understand These stories are taken from the King James Version of the Bible and written as they are stated in the Bible and true to what was given to us by God Although the stories were written so a child could understand I believe that anyone can get something out of this book I believe that it is our duty and responsibility to teach children about the word of God If this book helps in any way to do that with even one child or one adult then the purpose of this collection of Bible stories is complete **Louisiana Man** Lloyd Antypowich, 2013-11 There was never a stronger desire that flows through the veins of a Louisiana man to be a cowboy than in Tom Menzer At nineteen he had made a good start to do that but Pontchartrain Louisiana did not seem to be the right place so he turned his horse west and headed for Texas where the real cowboys came from The life he lived is nothing more than a harrowing experience If he made friends with the native Indians then the white man would hate him would call him a squaw man and would tell him that his life was worth nothing more than the average Indian If he took the side of the white man then the Indians would look to lift his scalp Tom was not a killer and he hated killing But he found himself wearing a necktie that was just seconds away from taking his life by some soldiers that were paid by a very rich rancher to dispose of him It was after that he vowed never to be caught by the law He traveled north to Oklahoma where he made friends with a village of natives There he hunted and contributed his share of food for the village The chief rewarded him with his daughter When she was a little baby still on her mother s breast her family was massacred by the natives She was found crying under some small bushes and a warrior took her and gave her to the chief whose wife was nursing a young son and nursed her to become a very lovely maiden The chief later told Tom that his wife was not native and he had waited a long time to find the right man for his daughter When the horse thieves tried to kill him and harm his wife and family it was only then that he used his gun to kill the thieves Suffering from the buckshot in his back he had a man at a fort near Calgary dig the pellets out with his hunting knife You can read on and find out how Tom and Raven Feather
