Something About Emmaline:

Something About Emmaline Elizabeth Boyle, 2009-03-17 Alexander Denford Baron Sedgwick is a gentleman to be envied. He lives a rakish life of well celebrated ease and contentment and has one person to thank for his perfectly ordered existence: his dearest wife Emmaline. She never complains about his mistresses or his penchant for late nights out. His friends are envious but they don't know the truth. Emmaline doesn't exist. But when he starts receiving bills from London for clothes, shoes, hats, and a staggering amount of other female accoutrements, he realises something is decidedly amiss. Posing as Emmaline isn't a stretch for the newly arrived Lady Sedgwick; she's been conning gentry for years. But as the popular baron's wife, she now has the one thing that has eluded her: entry into London's inner circles. Against Alexander's better judgment, Emmaline is impossibly fixed in his life. And suddenly, Emmaline is challenging him to be the husband she deserves. *The Baby Chronicles* Beatrice Bruno, 2017-01-24 A novel about four women created by God with an eternal purpose in mind and their remarkable journey. *The Baby Chronicles* is the story behind the scenes of creation of four pre-born baby girls who eventually meet in the US Army. Beverley, Emmaline, Joyce, and Margarette. Ann. Although many of the pre-borns you meet are excited about the prospect of having an Earth assignment, at least three of these four would rather stay in Heaven with Abba. They don't want to carry out their mission on Earth, especially with the families they have been assigned to. If you have ever wondered where you were before you existed on Earth, this book will give you pause to think of the possibilities you had before you were even born. **Haunt Me** Sarah Dalton, 2016-03-10 Sometimes our wildest dreams can become our wildest nightmares. When a teenage girl commits suicide in Ashforth, the village is shocked. When more girls take their own lives, Mary and her friends realise there are dark forces at work. While Mary tries to figure out why so many young girls are dying needlessly, she has to confront her own demons. She discovers a distraction in the charismatic man of her dreams. But can she trust this mysterious man, and what is it he wants from her? Lacey finds herself protecting Willa from an unknown enemy. As she gets closer to the beautiful Willa, she begins drifting away from her best friend Mary. When Mary appears to be losing her mind, it's Jack who must find a way to hold her together. Meanwhile, Lacey must make difficult choices when it comes to her relationship with Willa. With strong language and some scary scenes, *Haunt Me* is best suited to those aged 16. **Bachelor Chronicles #1** Elizabeth Boyle, 2014-11-11 Elizabeth Boyle has always loved romance, and now lives it each and every day by writing adventurous and passionate stories that readers from all around the world have described as page turners. Since her first book was published, she's seen her romances become New York Times and USA Today bestsellers and won the RWA RITA and the Romantic Times Reviewer's Choice Awards. She resides in Seattle with her family, her garden, and always growing collection of yarn. *The Other Side of the Mirror* Jamie Sands, 2020-11-27 The case: a grandmother who vanished from a locked room. The best lead: a psychic who's as mysterious as she is cute. Detective Jack Duarte is the one called upon when weird cases hit Auckland. A fierce loner with a reputation for solving the unsolvable, she is the perfect choice for the

latest odd mystery the locked room disappearance of a beloved grandmother who has vanished without trace and seemingly without suspects or a motive This time around though Jack has also been assigned a partner The fresh young detective Piper who has transferred in with a difficult history is determined to prove themselves Smart perky and inexperienced They are exactly the kind of partner Jack manages to scare away As they dig deeper into the mystery though Jack has to put her own reluctance in the back seat and help Piper navigate a whole different world because the beloved grandmother has her own mysterious past one that has already cost lives and souls With the help of the enigmatic and beautiful psychic Emmaline Jack and Piper must confront the strange world on the other side of the mirror Some mysteries can only be solved with magic

Brushed by the Butterfly's Wings E. Scott Tapscott, 2005-04-05 Depicting the painful start and stop process which is an inevitable part of humankind's quest for a more enlightened world BRUSHED by the BUTTERFLY'S WINGS presents the first three decades of the Twentieth Century as a complex period in which a visionary few are beginning to see the errancy of an unjust society and its retentive belief systems Set in the Southern most foothills of the Appalachians it is a fictional account of those few of the circumstances that propelled them and the resistance that they met a story of human courage which pits family member against family member and an idealistic minority against a complacent majority who can see neither a reason for nor the irreversibility of a restlessness that seethes beneath a facade of false civility on the part of some and painful acquiescence on the part of others A must read for anyone interested in the deterrent effects of a world more comfortable with the supposed wisdom of traditionalism than with new conceptual realities and the changing paradigms that accompany them

Touch of a Scoundrel Mia Marlowe, 2011-10-24 It's a matter of honor duty and desire Griffin Nash Earl of Devonwood wants to believe that he's seducing Miss Emmaline Farnsworth out of protectiveness for his young brother After all if his brother is convinced that the tantalizing professor's daughter is unworthy of his trust perhaps Teddy will lose all interest in such an inappropriate choice for his station But in truth something else motivates Devonwood a scintillating vision he's had of a future tryst with the lovely Emmaline A vision too realistic to be doubted and too scaldingly passionate to be denied Yet Emmaline is not as easily tempted as Devonwood might have hoped nor is she actually in pursuit of a wealthy husband No the real reason for her visit to the manor is something much more shocking though being enticed by a dashing earl may prove to be a most welcome byproduct of her schemes A smart and sexy tale New York Times bestselling author Mary Jo Putney Marlowe proves she has the touch for strong heroines wickedly sexy heroes and love scenes so hot they singe the pages USA Today bestselling author Jennifer Ashley Sensuality sexuality passion and mystery blend into a wonderfully entertaining tale Romantic Times Both historical and paranormal readers will love this crossover tale Publishers Weekly starred review

Sweet Land of Bigamy Miah Arnold, 2012-06-18 When Helen Motes finds herself on a Utah mountaintop getting married to a besotted young Indian poet she can't quite figure out how she became a bigamist and she certainly doesn't want to be one Helen worked hard to create the stable middle class life her childhood denied her so sabotaging her

first and decidedly still legal marriage wasn't part of her life plan Yet with her original husband away in Iraq and her new husband ready to agree to everything she ever wanted deciding which husband to keep proves to be torture How Helen's life led her to this point and what she plans to do with these two keepers are the driving questions behind Miah Arnold's heartfelt debut about an unlikely bigamist and her circle of family friends and husbands Weaving in multiple continents and unforgettable characters The Sweet Land of Bigamy is a funny and surprisingly touching exploration of what marriage can be
