Something Amiss:

Something's Amiss in America Clint C. Wilson,2025-03-10 Something's Amiss in America is a biographical story about how racist encounters affected the life of a Black male born and reared in a devout African American Christian home and environment. It takes the reader inside a world where expected matters of social interaction and norms are shattered by the realities of human intolerance and a sense of racial entitlement. The author's life journey also reveals mitigating encounters with persons Black and White who exhibited God's grace and who enabled him to attain a successful and rewarding life. Much like its symbolic Liberty Bell, the author finds something amiss in America's framework. It is the crack of hubris inspired racism perpetrated by ungenerous personalities that threatens the nation's egalitarian ideals. In that context the author believes grace is a key to fulfilling the nation's motto as inscribed on its Great Seal of the United States E pluribus unum.

Something's Amiss at the Zoo Jen Breach,2015-06-30 When the world's worst zookeepers cause chaos at the zoo with a series of ridiculous mix ups it's up to one smart kid to set things right. Two zookeepers just can't figure out what's wrong at the zoo. The spider monkey won't spin a web and he seems scared of the other spiders. The tiger shark doesn't seem comfortable in the jungle enclosure and the elephant beetle is in danger of being crushed by the other elephants. Only one person can help the kid. He soon sets the zookeepers straight but one mystery remains: how did these two ever manage to pass zookeeper school? A series of hilarious mix ups and misunderstandings from acclaimed comics collaborators creating their first picture book together.
