Something Rising Light Swift:

Something Rising Haven Kimmel, 2010-05-11 In her first two books Haven Kimmel claimed her spot on the literary scene surprising readers with her memoir *A Girl Named Zippy* and winning an outpouring of critical acclaim for her first novel *The Solace of Leaving Early* Now in her second novel she brings to the page a heroine's tireless quest for truth love justice and the perfect game of 9 ball Cassie Claiborne's world is riddled with problems beyond her control her hard living pool shooting father has another wife her stoic long suffering mother is incapable of moving herself mentally away from the kitchen window her sister Belle is a tempest of fragility and brilliance her closest friends Puck and Emmy are adolescent harbingers of their own doomed futures Frustrated by her inability to care deeply enough for so many troubled souls Cassie finds in the local pool hall an oasis of green felt where she can master objects and restrain her emotions As Cassie grows from a quietly complex girl into a headstrong young woman she takes on the thankless role of family provider by working odd jobs and hustling pool All the while she keeps her eye on the ultimate prize wringing suitable justice out of past wrongs and freeing herself from the inertia that is her life In this ultimately uplifting story Haven Kimmel reaches deep into the hamstrung souls of her fictional corner of Indiana Remarkable for its tough tenderness *Something Rising Light and Swift* is an astonishing work of pure heartbreak

Gerhard David, 1997 **Iodine** Haven Kimmel, 2008-08-05 Haven Kimmel the 1 New York Times bestselling author has long attracted legions of fans for her insightful humane portraits of outsiders struggling to find their place in the world In *Iodine* her fourth novel Kimmel once again draws on her exceptional powers of observation and empathy but this time she makes an exhilarating foray into psychological gothic territory with the electrifying story of a young woman emerging from layers of delusion fantasy and lies With her astounding intelligence fierce independence and otherworldly lavender eyes college senior Trace Pennington makes an indelible impression even as questions about her past and her true identity hover over every page From her earliest years Trace turned away from her abusive mother toward her loving father Within the twisty logic of abuse her desperate love for him took on a romantic cast that persists to this day though she's had no contact with her family since she ran away from home years ago Alone but for her beloved dog she's eked out an impoverished but functional existence living in an abandoned house putting herself through college and astonishing her teachers with her genius and erudition What they don't know is that she leads a double life thanks to forged documents at school she is Ianthe Covington a young woman with no past Trace's singular life is upended when she and her literature professor fall in love She tells him nothing about her life and as it becomes apparent that he has his own dark secrets she's forced to face herself and her past After recovering a horrific long suppressed memory Trace finally copes with the fallout from her brutal bizarre childhood Kimmel parcels out Trace's strange dark story in mesmerizing bits that obscure as much as they reveal and keep the reader
