The Lancet, 1876      **The London Lancet**, 1876      *The Encyclopedia of Ailments and Diseases* Jacques Martel, 2020-11-17 A comprehensive reference and healing tool to address the emotional and psychological causes of illness Uncovers the conflicted conscious or unconscious feelings thoughts and emotions at the root of nearly 900 ailments and diseases Details a unique Integration and Acceptance Technique for accessing information through the heart and thereby starting the healing process for emotions and feelings Provides positive affirmations to effect change for each ailment and disease What if your body used a secret language to talk to you What if an ailment or illness was your body's way to shout for help to make you understand that you need to change your thoughts emotions feelings and behaviors Your body wants you to become aware of the stress that you carry conscious or not so you can release unmanaged past and present emotions and the physical complaints that accompany them Compiling years of research and the results of thousands of cases he encountered in his private practice and during workshops over the past 30 years Jacques Martel explains how to read and understand the body's language of disease and imbalance In this encyclopedia he shows how body language reveals specific thoughts feelings and emotions that are at the source of nearly 900 different ailments and diseases The author also details his Integration and Acceptance Technique which enables healing information to bypass the brain and connect directly with the heart This technique disables the source of the conflict conscious or not that could be at the root of an illness behavior or condition and improves the chances of true healing This comprehensive manual offers a tool to help each of us become to some extent our own doctor or therapist get to know ourselves better and recover health and well being physically emotionally mentally and spiritually For practitioners and therapists this remarkable reference tool provides invaluable insights and prompts for healing      **A General System of Surgery in Three Parts** Lorenz Heister, 1750      **The Lancet**, 1964      **A Handbook of Uterine Therapeutics and of Diseases of Women** Edward John Tilt, 1881      **Nervous** Jen Soriano, 2023-08-22 Nervous takes the focus from the abstract and does what doctors and historians failed to do makes her story her pain and her life as real as any history that proceeded Nervous gives face and weight to those forgotten women whose suffering has become little more than anecdotal collections of stories not real people It's seamless and powerful Nervous is a masterful personal narrative beautifully written and captivating It should and will be placed alongside some of the best well crafted and compelling contemporary memoirs of this era Bassey Ikpi New York Times bestselling author of *I'm Telling the Truth but I'm Lying* Activist Jen Soriano brings to light the lingering impacts of transgenerational trauma and uses science history and family stories to flow toward transformation in this powerful collection that brings together the lyric storytelling cultural exploration and thoughtful analysis of *The Argonauts* *The Woman Warrior* *What My Bones Know* and *Minor Feelings* The power of quiet can haunt us over generations crystallizing in pain that Jen Soriano views as a form of embodied history In this searing memoir in essays Soriano the daughter of a neurosurgeon journeys to understand the

origins of her chronic pain and mental health struggles By the end she finds both the source and the delta of what bodies impacted by trauma might need to thrive In fourteen essays connected by theme and experience Soriano traverses centuries and continents weaving together memory and history sociology and personal stories neuroscience and public health into a vivid tapestry of what it takes to transform trauma not just body by body but through the body politic and ecosystems at large Beginning with a shocking timeline juxtaposing Soriano s medical history with the history of hysteria and witch hunts Nervous navigates the human body centering neurodiverse disabled and genderqueer bodies of color within larger systems that have harmed and silenced Filipinos for generations Soriano s wide ranging essays contemplate the Spanish American War that ushered in United States colonization in the Philippines the healing power of an inherited legacy of music a chosen family of activists from the Bay Area to the Philippines and how the fluidity of our nervous systems can teach us how to shape a trauma wise future With Nervous Soriano boldly invites us along on a watershed journey toward healing understanding and communion     On the Use and Abuse of Pessaries George Granville Bantock,1884     **Keeping a Family Cow** Joann S.

Grohman,2013-11-01 The cow is the most productive efficient creature on earth She will give you fresh milk cream butter and cheese build human health and happiness and even turn a profit for homesteaders and small farmers who seek to offer her bounty to the local market or neighborhood She will provide rich manure for your garden or land and will enrich the quality of your life as you benefit from the resources of the natural world Quite simply the family that keeps a cow is a healthy family Originally published in the early 1970s as The Cow Economy and reprinted many times over Keeping a Family Cow has launched thousands of holistic small scale dairy farmers and families raising healthy cows in accordance with their true nature The book offers answers to frequently asked questions like Should I get a cow and How Much Space do I need in addition to extensive information on The health benefits of untreated milk How to milk a cow effectively and with ease Choosing your dairy breed Drying off your cow Details on calving and breeding The importance of hay quality and how to properly feed your cow Fencing and pasture management Housing water systems and other supplies Treating milk fever and other diseases and disorders Making butter yogurt and cheese and of course Everything else the conventional dairy industry doesn t tell us Now revised and updated to incorporate new information on the raw milk debate the conversation about A1 vs A2 milk fully grassfed dairies more practical advice for everyday chores and updated procedures for cow emergencies Keeping a Family Cow has not only stood the test of time it still remains the go to inspirational manual for raising a family milk cow nearly forty years after its first publication Joann Grohman has a lifetime of practical experience that has been bound into this one volume and presented in the spirit of fun and learning     Organ Orgasms Robert Ian Rollwagen,2020-06-29 Conscious blood flow CBF is about enhancing our physical mental and spiritual wellbeing through the pleasurable and mindful exercising of your body s internal arteries and organs This is brought about by becoming attuned to your natural abilities to just be and by learning to sense your interior body and then being able to consciously direct and

control the flow of your blood And one can orgasm many organs hence the book s title of Organ Orgasms Despite the catchy but true title this book is about the mystery and joy of experiencing one s existence in a unique way an aspect of being and about discovering our bodies and nourishing them so we can experience our lives in the healthiest and longest way possible an aspect of wellbeing Thus Organ Orgasms is really about being and wellbeing It will enable people no matter what stage they are at in life to see more clearly into themselves and then use the book as a guide in developing their own personal plan for living more joyously and healthily Organ Orgasms is not formulaic or like other self help books but it will help people learn how to take care of themselves better and get them re thinking about their purpose in life and ensure their wellbeing The book is written for the lay reader and includes over 150 extremely useful illustrations Yet it has also been cleverly crafted to meet the needs of the scholarly reader by the use of endnotes and appendices which provide a stunning amount of scientific evidence for how the body brain and mind work to make CBF possible **New York Journal of Homœopathy**
