SEE follows a successful liberal Indian American family in California as they live out their American Dream. However, tensions soon begin to flare between mother Samantha and daughter Monica as Monica's increasingly uninhibited Western customs clash with Samantha's traditional Eastern values as Monica loves a white Christian American boy. Soon the women embark on separate journeys to India where they reassess themselves and their values. Not only is it impressive that taken on an international odyssey for a first-hand look at India in the modern day and also much of the past but taken on an internal emotional and contemplative journey with Monica and Samantha who must confront their preconceived notions of life and love head-on. It contains interesting, thoughtful, and intelligent characters at every turn. An internal contemplative philosophical journey just as they are taken on an adventure abroad. At several key points in this epic family tale, readers would be on the verge of tears. This is an inter-generational and international drama that describes how difficult and traumatic for Samantha. The immigrant in my book to leave everything behind and start a new life where the language, culture, traditions, morals, beliefs, and everyday way of life are totally foreign and then assimilate into a new country while still retaining her own culture and beliefs. Monica and Brandon's exploits are gripping and suspenseful. Western romances. Samantha and Amit's initial Eastern romance would also enchant the younger reader. As we follow Samantha on her journey of self-reflection in pursuit of acceptance, love, open-mindedness, and adaptation as the times change, she and Monica are able to reestablish their connection with each other, offer their forgiveness, and reaffirm their special love for each other. Monica recovers and goes back to America with Brandon. With burning eyes, Samantha promises to return to India. **Conduct**

Unbecoming Diane Chamberlain, 2013-04. It is not just in recent years that newspapers have carried headlines of those dishonoring the uniform by raping innocent civilians, fellow students at Academies, trainees, or fellow service members. Savage beatings, sodomy, rape, cruelty, mistreatment, and murder are just part of the headlines that reach all the way up to the top commanding officers and generals. When these heinous crimes are tolerated, unity and the very integrity of the services suffer. This historical account, *Conduct Unbecoming*, along with this author's own history, will awaken a sleeping nation to how its women have continued to suffer in the Armed Services. Follow this author through her expose of rape, torture, and corruption by her own military commanders, to her struggles with Post-Traumatic Stress Disorder, and the Kabuki dance with the adversarial veterans' administration of denials, cruelty, and retraumatization. She courageously fought evil and prevailed. A military culture that perpetuates *Conduct Unbecoming* causes a disconnect from the military's mission, and those who would serve honorably. Allowing moral turpitude to go underground to the extent that it adversely affects good order and discipline and brings dishonor on the military organizations these men serve. This author refuses to be silenced for behavior that has continued nearly four decades unabated. *Leaves of Healing*, 1904. **The Critic**, 1895. **Chambers's Journal of Popular Literature, Science and Arts**, 1890. **Survivors** Donald E.
