Main Street Melody

Stephen W. Hoag Ph.D.,2023-09-10 Main Street Melody is an uninhibited melodramatic novel of love and romance that

speaks to the intrinsic sway of music MELODY reveals the power of music Often just the first few bars of a tune can revive a

memory of many decades ago or almost magically flip an internal switch changing despair into joy and loneliness into a swath

of warmth No other domain in our society has that capacity and that personal impact Music in its many forms meets the

needs of every person in every demographic category The teenage and adult characters in this textured novel of the age of

innocence will touch your heart in endless ways from the tenderness of a first kiss to the nefarious pranks of unfettered youth

In each moment of wonderment there will be music as you have never experienced it before From the echoes of car radios to

the magnificent sound of a concert band the creative excitement of a garage band to that singular voice that when heard just

once can never be forgotten The purported calculable components of life are often capricious as one can never count on the

preciseness of happenstance Such are the purported necessities of life food water shelter and clothing Indeed each is

indispensable but at the mercy of economic and environmental conditions With all of that to contemplate in the textured

world all about us one element brings forth the dreams and memories of special moments hope and love MUSIC The

dramatic conclusion surely will convince you that MUSIC like love never fails and no matter the occasion or the circumstance

of life music makes the darkest moments more tolerable and enhances the zenithal peaks of a lifetime Main Street Melody

will capture the fullness of your senses and bring music to new heights in your heart
