byzantine world of New York City's most powerful and sacred institutions and unearths the most sinister of secrets. Prosecutor Alexandra Cooper has been called to a Harlem Baptist Church where a woman has been decapitated and set on fire on the church steps with the imprint of a Star of David necklace seared into her flesh. Then a second body is found at a cathedral in Little Italy. Alex is blind to the sick and inconceivable motives feeding a particularly vicious serial killer until she mines the depths of the city's vast and serpentine religious history. What Alex follows is a dangerous path that takes her far beyond the scope of her investigation and directly into the path of a frightening and inescapable truth. *Killer Heat* Linda Fairstein, 2009-01-06. It's August in New York and the only thing that's hotter than the pavement is Manhattan. D.A. Alex Cooper's personal and professional life. Just as she's claiming an especially gratifying victory in a rape case, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the murder is disturbing enough, but when a second body is found in Brooklyn, beaten and disposed of in the exact same manner, the city's top brass want the killer found fast. Relying on razor sharp instincts, a whip-smart partner, and one big break, Alex races to find the killer and keep him from killing again, even if it's at her own peril.
