## Son Of Groucho:

Son of Groucho Arthur Marx,1972 Twenty years have passed since Arthur Marx wrote Life with Groucho One of the most surprising developments is the sudden new popularity of old Marx Brothers films Such a cult of Marx Brothers fans has sprung up in recent years that Arthur finds he s asked more questions about his father and his brothers than ever before For Arthur however life has always been about his family To paraphrase Tolstoy every celebrity s family is different in different ways This book then isn t so much about Arthur Marx as it is about a circumstance the circumstance of living life in the shadow of a world famous gentleman

Children of Hollywood Michelle Vogel,2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they d come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home

*The Marx Brothers* Wes D. Gehring,1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

**A Century of the Marx Brothers** Joseph Mills,2009-03-26 In 1905 Julius Marx began his vaudeville career with the singing group The Leroy Trio and was abandoned in the middle of the tour It was an inauspicious start for the

person who would become Groucho A hundred years later the Marx Brothers have permeated our culture from the plastic noses and glasses worn at parties to a Smithsonian exhibition which explains DNA recombination using A Night at the Opera Although they completed relatively few films together the brothers have become icons recognizable even to people who have never seen their movies Most scholarly work on the Marx Brothers has focused on biographical aspects of their careers and lives A Century of the Marx Brothers suggests a myriad of other useful approaches to their film and stage productions The collection s eleven essays examine the Marx Brothers work from a number of critical perspectives ranging from reader response theory to film semiotics The contributors include international scholars in a variety of fields such as literature cultural studies performance studies and film history    **Son of Groucho** Harpo Marx,1972    *Film Dope* ,1989    *My Life with Groucho* Arthur Marx,1988    *Great Jews in the Performing Arts* Darryl Lyman,1999 The author of acclaimed biographical works such as Great Jews in Music celebrates the lives of three hundred great Jewish performers including Billy Crystal Lauren Bacall Barbra Streisand Bette Midler Jerry Seinfeld Morris Carnovsky and George Burns Generously illustrated in black and white this refreshing look at some of the most popular entertainers of all time will inspire instruct and entertain    *Great Jews on Stage and Screen* Darryl Lyman,1987 This volume includes 100 major biographies and hundreds more thumbnail sketches of Jewish vaudevillians singers dramatic and comic actors dancers stand up comics and others who have made a significant contribution to the performing arts    **Negro Digest** ,1945    **Three Sisters** ,1971    Catalogue of the Book Library of the British Film Institute, London, England: Title catalogue, G-Z.
