## Son Of Socred:

Son of Socred Stan Persky, 1979 A study of British Columbia politics by an important gay American writer who immigrated to Canada *Canadian Dimension*, 1979 The Art of the Impossible Geoff Meggs, Rod Mickleburgh, 2015-06-15 At his first cabinet meeting Premier Dave Barrett takes off his shoes leaps onto the leather inlaid cabinet table and skids the length of the room Are we here for a good time or a long time he roars His answer a good time a time of change action doing what was needed and right not what was easy and conventional He set the tone for a government that changed the face of the province During the next three years he and his team passed more legislation in a shorter time than any government before or since A university or college student graduating today in BC may have been born years after Barrett's defeat but could attend a Barrett daycare live on a farm in Barrett's Agricultural Land Reserve be rushed to hospital in a provincial ambulance created by Barrett's government and attend college in a community institution founded by his government The continuing polarization of BC politics also dates back to Barrett the Fraser Institute and the right wing economic policies it preaches are as much a legacy of the Barrett years as the ALR Dave Barrett remains a unique and important figure in BC's history a symbol of how much can be achieved in government and a reminder of how quickly those achievements can be forgotten This lively and well researched book is the first in depth study of this most memorable of BC premiers *Canadian Books in Print*, 1986 *Labour*, 1994 **Canadian Book Review Annual**, 1984 The Character of Class Struggle Bryan D. Palmer, 1986 These essays introduce readers to the changing and complex character of class struggle in Canada Individual essays focus on specific features of Canadian class struggle regional differences the role of gender the character of trade union leadership to the specific nature of conflict in particular industries and the general features of national periods of upheaval such as the year 1919 and the World War II period **British Columbia** Patricia Roy, John Herd Thompson, 2005 In this fifth volume in Oxford's Illustrated History of Canada series Patricia Roy and John Thompson present a compact narrative survey of British Columbia's economic political and social history generously illustrated with roughly 150 paintings drawings and maps that shed their own light on the province's history British Columbia as we know it geographically and politically today did not exist until 1858 The boundaries of the present day province were defined in a piecemeal and haphazard manner and are still disputed by the First Nations who have never accepted the 1927 agreement between the federal and the provincial governments that defined the extent of their territories within the province Historians can never entirely escape superimposing the tidy political map of contemporary British Columbia over an untidy geography and an equally untidy history Human conflict and human diversity mark British Columbia's past Based on current scholarship this volume provides a detailed account of the multitude of experiences within British Columbia British Columbia Land of Promises continues the tradition of sound scholarship and easy readability of the previous volumes in Oxford's Illustrated History of Canada series Previous volumes were praised for being richly illustrated readable detailed and

opinionated London Free Press and attractive as individual volumes to those who want an introduction to a particular region and as part of a series to those who are looking for a new general history of Canada Quill and Quire

*Justice Achieved* Victoria Cunningham, 2002 This book tells the story of the founding of the Federation of Independent School Associations in British Columbia in 1966 and its work toward the introduction of the Independent Schools Support Act in 1977 enabling independent schools in British Columbia to be legally recognized and supported with government funds for the first time in more than a century Book jacket

**Saturday Night**, 1986 *Social Discredit* Janine Stingel, 2000 In *Social Discredit* Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians acknowledged the perils of race hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit's anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit's blatant defamation She argues that Congress's ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada *Social Discredit* offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies

**The Canadian Encyclopedia**  
James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known

Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada     The Social Credit Pamphleteer ,1935
