**A Theatre of Their Own: Indian Women Playwrights in Perspective** Dr. Pinaki Ranjan Das,2021-04-29 In an age where academic curriculum has essentially pushed theatre studies into post script and the cultural space of making and watching theatre has been largely usurped by the immense popularity of television and mainstream cinemas it is important to understand why theatre still remains a space to be reckoned as one s own This book argues for a theatre of their own of the Indian women playwrights and directors and explores the possibilities that modern

Indian theatre can provide as an instrument of subjective as well as social political cultural articulations and at the same time analyses the course of Indian theatre which gradually underwent broadening of thematic and dramaturgic scope in order to accommodate the independent voices of the women playwrights and directors

**Society and Death**

Sonal Priya, 2023-11-28 Society and Death is a compelling non fiction narrative that delves into the harsh realities faced by individuals hailing from middle class or brown families Rooted in truth this novel serves as a poignant reminder that instead of succumbing to societal expectations and conforming to its narrow perspectives individuals should empower their loved ones to pursue their dreams and attain their aspirations It advocates the notion that in times of need society seldom offers genuine support whereas those who stand by us when our ambitions are challenged are often our closest allies This thought provoking work exposes the labor of society as one primarily focused on passing judgments engaging in mockery indulging in backbiting and attempting to shape individuals according to their superficial standards Society's opinions often devoid of substance should take a back seat to the paramount importance of nurturing the dreams and visions of our own people Society's fleeting contentment should not take precedence over the fulfillment of personal aspirations
