The Irish-American Experience in New Jersey and Metropolitan New York Maura Grace Harrington, Marta Deyrup, 2013-11-29 This book is a collection of nine essays exploring the Irish American experience in the New Jersey and New York metropolitan area both historically and today. The essays place the local Irish American experience in the wider context of immigration studies, assimilation, and historical theory. Using case studies, interviews, scholarly research in primary historical documents, and theory and first-hand experience, the authors delve into what it has meant and means to be Irish American in the New Jersey and New York area, projecting what this ethnic identity will signify in years to come. Representing a variety of scholarly and professional disciplines from archivists to historians to lawyers to scholars of literature and theology, the authors share their own unique perspectives on the significance of the contributions of Irish Americans to American life in various arenas. Each chapter is interdisciplinary, revealing the interconnections among cultural history, biography, contemporary events, and literary appreciation. It is through these intersections of disciplines of past and present of individual and community that we can best analyze and appreciate the ways that Irish Americans have shaped life in the New Jersey-New York area over the past two centuries.

A Song for Mary New Word City Editors, 2018-08 Growing up in the rough and tumble streets of New York City in the 1940s and 50s, Dennis Smith was a dirt-poor Irish Catholic without a father. Told in a first-person narrative, this powerful odyssey depicts a young man's coming of age in a confusing world.

Of Memory and the Misplaced Sarah O'Brien, 2024-01-02 What can the life-writing of post-famine Irish immigrants tell us about Irish diasporic memory? *Of Memory and the Misplaced* considers the endurance and nature of Irish American memory across the twentieth century. Guided by 30 memoirs written between 1900

and 1970 Sarah O'Brien shows the prevalence of intimate and taboo themes in ordinary immigrants writing such as domestic violence same sex love and famine induced trauma Importantly *Of Memory and the Misplaced* critiques the role of the Irish landscape as a site of memory and shows how the interiority of the domestic world has provided Irish women with the language needed to reclaim their own lives Combining literary and historical theory *Of Memory and the Misplaced* highlights voices that have traditionally been silenced and offers a rare and unexplored collection of primary source autobiographical texts to better understand the experiences of Irish immigrants in the United States **Talking Book Topics** ,2000-11

Irish Stereotypes in Vaudeville, 1865-1905 Jennifer Mooney,2015-09-16 Vaudeville is often viewed as the source of some of the crude stereotypes that positioned the Irish immigrant in America as the antithesis of native born American citizens Using primary archival material Mooney argues that the vaudeville stage was an important venue in which an Irish American identity was constructed negotiated and refined *Transnational Perspectives on Modern Irish History* Niall Whelehan,2014-10-03 This book explores the benefits and challenges of transnational history for the study of modern Ireland In recent years the word transnational has become more and more conspicuous in history writing across the globe with scholars seeking to move beyond national and local frameworks when investigating the past Yet transnational approaches remain rare in Irish historical scholarship This book argues that the broader contexts and scales associated with transnational history are ideally suited to open up new questions on many themes of critical importance to Ireland's past and present They also provide an important means of challenging ideas of Irish exceptionalism The chapters included here open up new perspectives on central debates and events in Irish history They illuminate numerous transnational lives follow flows and ties across Irish borders and trace networks and links with Europe North America the Caribbean Australia and the British Empire This book provides specialists and students with examples of different concepts and ways of doing transnational history Non specialists will be interested in the new perspectives offered here on a rich variety of topics particularly the two major events in modern Irish history the Great Irish Famine and the 1916 Rising Words on Cassette, 2002 R R Bowker Publishing,2002 **Irish University Review** ,2001 A journal of Irish studies **Bruce Springsteen, Cultural Studies, and the Runaway American Dream** Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen's work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine's Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation's fortunes He is the foremost live performer in the history of rock and roll a self-described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and

uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen's resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music *Books Out Loud* ,2004 *Young Ireland* ,1876 **The International Migration Review** ,1999 **One World, Many Cultures** Stuart Hirschberg,Terry Hirschberg,2004 This truly global multicultural reader features almost 60 contemporary selections by internationally acclaimed authors from 22 countries These compelling readings explore cultural differences in relation to race class gender and nationality challenging readers to compare their experiences with those of others in radically different cultural circumstances Introduces readers to the culture and people of other countries through the eyes of someone from that culture Family life adolescent relationships gender roles work and the environment race and class conflicts social and political issues the other and customs rituals and values from the perspectives of authors from 22 countries General interest in global issues other cultures Subject Guide to Books in Print ,2001 **Cassette Books** Library of Congress.
