Suitable Vengeance:

A Suitable Vengeance Elizabeth George, 2011-07-21 Inspector Thomas Lynley 8th Earl of Asherton feels some trepidation as he introduces his bride to be to his mother at the ancestral home of Howenstow in Cornwall But Lynley's private concerns are soon forgotten as the brutal murder of a local journalist requires him to focus on the professional rather than the personal The investigation tears apart powerful ties of love and friendship shattering the tranquillity of the picturesque Cornish community and exposing a long buried family secret Its consequences irrevocably alter the course of Thomas Lynley's life

A Suitable Vengeance Elizabeth George, 2008 *Suitable Vengeance* Anthony Holmes, 2007 *Suitable Vengeance* is the fictional story of a twenty first century swindler named Colin Harris As a young man his life is ruined when his father dies in an industrial accident and the management of his company falsifies the evidence in order to show the accident to be his father's own fault Colin swears to take vengeance against the corporate world in the most suitable way he can devise by swindling his various employers out of significant sums of money His scams are well contrived and vary from one company to the next always ensuring that his criminal endeavours hurt only those he considers to be legitimate targets In the process he becomes wealthy and buys a company of his own but fate deals him a joker which puts a twist in the tale and presents Colin with a terrible dilemma

Holy Warriors Richard W. Kaeuper, 2012-06-04 The medieval code of chivalry demanded that warrior elites demonstrate fierce courage in battle display prowess with weaponry and avenge any strike against their honor They were also required to be devout Christians How then could knights pledge fealty to the Prince of Peace who enjoined the faithful to turn the other cheek rather than seek vengeance and who taught that the meek rather than glorious fighters in tournaments shall inherit the earth By what logic and language was knighthood valorized In *Holy Warriors* Richard Kaeuper argues that while some clerics sanctified violence in defense of the Holy Church others were sorely troubled by chivalric practices in everyday life As elite laity knights had theological ideas of their own Soundly pious yet independent knights proclaimed the validity of their bloody profession by selectively appropriating religious ideals Their ideology emphasized meritorious suffering on campaign and in battle even as their violence enriched them and established their dominance In a world of divinely ordained social orders theirs was blessed though many sensitive souls worried about the ultimate price of rapine and destruction Kaeuper examines how these paradoxical chivalric ideals were spread in a vast corpus of literature from exempla and chansons de geste to romance Through these works both clerics and lay military elites claimed God's blessing for knighthood while avoiding the contradictions inherent in their fusion of chivalry with a religion that looked back to the Sermon on the Mount for its ethical foundation

The Virtues of Vengeance Peter A. French, 2001 In the course of his study of vengeance as a moral concept French exposes important distinctions between types of moral theories karmic and non karmic and between people who are morally handicapped and those who are morally challenged He examines concepts relevant to vengeance such as honor moral authority and evil and issues such as the rationality of revenge and

proportionality in punishment BOOK JACKET **A Suitable Vengeance** Elizabeth George, 2007-05-01 Ms George proves that the classiest crime writers are true novelists The New York Times Award winning author Elizabeth George gives us an early glimpse into the lives of Detective Inspector Thomas Lynley forensic scientist Simon Allcourt St James and Lady Helen Clyde in a superlative mystery that is also a fascinating inquiry into the crimes of the heart Lynley the eighth earl of Asherton has brought to Howenstow his family home the young woman he has asked to be his bride But the savage murder of a local journalist is the catalyst for a lethal series of events that shatters the calm of a picturesque Cornwall village and embroils Lynley and St James in a case far outside their jurisdiction and a little too close to home When a second death follows closely on the heels of the first Lynley finds he can't help taking the investigation personally because the evidence points to a killer within his own family Praise for A Suitable Vengeance Elizabeth George reigns as queen of the mystery genre The Lynley books constitute the smartest most gratifying complex and impassioned mystery series now being published Entertainment Weekly Ms George can do it all with style to spare The Wall Street Journal George goes to the head of the genre with class People
