Sunset Brunch Cookbook:

Brunch Farha Bano Ternikar, 2014-07-10 When Americans think of brunch they typically think of Sunday mornings swelling into early afternoons mimosas and bloody Marys eggs Benedict and coffee cake bacon and bagels family and friends This book presents a modern history of brunch not only as a meal but also as a cultural experience Relying on diverse sources from historic cookbooks to Twitter and television Brunch A History is a global and social history of the meal including brunch in the United States Western Europe South Asia and the Middle East Brunch takes us on a tour of a modern meal around the world While brunch has become a modern meal of leisure its history is far from restful this meal's past is both lively and fraught with tension Here Farha Ternikar explores the gendered and class based conflicts around this meal and provides readers with an enlightening glimpse into the dining rooms verandas and kitchens where brunches were prepared served and enjoyed
