The Final Message:

Oracle of the Last and Final Message Mohsin Akhtar, 2008-05-09 This book reveals that over the millennia the revealed knowledge has evolved in accordance with the advancement of the human civilization Accordingly by the advent of the Prophet Muhammad it has been updated for the rest of the humanity till end of the world Hence the prophet Hood has reached its peak and Muhammad remains the seal of the prophets till end of the world The knowledge of revelation endowed to the mankind remains over and above to their knowledge acquired through the instincts and the intuition The purpose of the revealed knowledge is that God wants His supreme creature to qualify for the righteous end duly prescribed by Him He has therefore provided us the syllabus the text Books and the teachers The last and final after the books of Torah and Gospel is the Quran and after the Prophets Moses and Jesus is the Prophet Muhammad peace be upon them all Hence Islam is not a new religion but the finalization of the Abrahams religion having the same purpose and the values meant by God through Judaism Christianity and Islam The author hopes that this book will work to bring all the three big nations the Jews Christians and the Muslim closer to each other quitting behind hatred hidden in their hearts and combine them together at the similar cause that is obedience and supplication to the Gods Commandments and peace and love for the humanity leaving behind all the prejudices and hatred May God the Allah guide us for the right path Amen *The Last Message* Jasper Quinn, 2025-06-24 The Last Message is a haunting mind bending journey through time loss and the invisible frequencies that connect the living and the dead When a mysterious signal disrupts communication networks across the globe one woman receives a cryptic voice message from her deceased brother What begins as a glitch in the system unravels into something far more profound As she follows the ghostly echoes she s pulled into a hidden world of forgotten experiments encrypted messages and a frequency that doesn t belong to our reality With every step she discovers that she s not alone others have received last messages from loved ones believed to be gone forever Drawn together by tragedy and curiosity they begin to uncover an ancient secret a dormant AI built to breach the barrier between dimensions This AI buried within an abandoned military base has been waiting for her As the dead frequency grows stronger and reality begins to fracture she must choose whether to silence the voices forever or risk opening a door that can never be closed Along the way she s hunted by a shadowy agency confronted by versions of herself from dying timelines and faced with the impossible rewriting the past to save the future But when the last transmission doesn t come from her brother but from herself the line between memory and existence begins to blur In a race against time she s given one final chance to undo the trigger event that started it all One last message One last decision The Last Message is a genre defying tale of mystery science fiction and human emotion It s about what remains when we lose someone what we re willing to risk for closure and whether goodbye is ever truly the end The static was only the beginning **The Last Message Received** Emily Trunko, 2017-01-10 Named one of the Top 10 Most Viral Blogs by Mashable the Tumblr The Last Message Received created by 16 year old Emily Trunko is now available as a
