Sunset Tears:

Taylor Before and After Jennie Englund, 2020-02-18 In journal entries alternating between two timelines before and after a tragic accident Jennie Englund's heartfelt coming of age story Taylor Before and After follows the year that changes one girl's life forever Before Taylor Harper is finally popular sitting with the cool kids at lunch and maybe just maybe getting invited to the biggest most exclusive party of the year After no one talks to her Before she's friends with Brielle Branson the coolest girl in school After Brielle has become a bully and Taylor's her favorite target Before home isn't perfect but at least her family is together After Mom won't get out of bed Dad won't stop yelling and Eli Eli's gone Through everything Taylor has her notebook a diary of the year that one fatal accident tears her life apart In entries alternating between the first and second semester of her eighth grade year she navigates joy and grief gain and loss hope and depression How can Taylor pick up the pieces of what used to be her social life How can her house ever feel like home again after everything that's happened And how can she move forward if she can't stop looking back An Imprint Book Powerful A resonant look at coming of age Kirkus Reviews A Junior Library Guild Selection Sunset, 1903 A Magment of Figmentation Faucon Of Sakin'El, 2008

Thoughts Trendell Gwen, 2013-08 These words are the thoughts feelings and emotions that were felt during the course of my life Some have felt and not had words to say while others have not but know someone that has These are what I felt thought and to this day wonder about The First Quarter Ruth Ward Kahn, 1898 **The Library of fiction, or Family story-teller [ed. by C. Dickens].** Charles Dickens, 1837 **The Entire Sky** Joe Wilkins, 2024-07-02 With echoes of Demon Copperhead and Plainsong a poignant story about a troubled boy on the run an aging rancher and a woman at a crossroads who find unexpected solace and kinship in the family they make With his long hair and penchant for guitar teenage Justin is the spitting image of his idol Kurt Cobain a resemblance that has often marked him an outcast When the long simmering abuse from his uncle finally boils over Justin has no choice but to break free in a violent act that will haunt him and try to make it on his own as a runaway Meanwhile in rural Montana Rene Bouchard a rancher nearing retirement grieves the recent death of his wife Her passing has revealed precisely how fractured the family has become particularly the relationship between Rene and his daughter Lianne As old wounds ache anew father and daughter begin to doubt the possibility of reconciliation even as they each privately yearn for it Justin's wanderings bring him to the Bouchard family ranch and soon Rene and Lianne take the boy in as their own But before long Justin's past threatens to catch up with him jeopardizing not only his new bond with Rene and Lianne but also the home he's finally been able to claim With its lyricism tangible evocation of place and piercing insight reminiscent of the novels of Barbara Kingsolver and Kent Haruf The Entire Sky is an unforgettable piece of modern American fiction **FAMILIAR STRANGERS: Người lạ thân thuộc - Bác sĩ Nguyễn Đông Hưng** Minh Hưng, Dear readers In this vast world of over eight billion people the probability of two strangers brushing past each other is a fleeting moment of fate We usually define family as those who share blood ties and the same

home Everyone else we call strangers But life with all its wonder and mystery sometimes writes scenarios that defy all logic There are people who have never met whose names they don't even know yet are connected by the strongest thread of life One person's life is continued through a part of another person's body The book *Familiar Stranger* What you are holding in your hands is the story of that fateful encounter More than just a medical record documenting the arduous journey of organ transplantation this work is a collection of writings distilled from real pain from sleepless nights in the hospital and from the intense desire to live of people on the brink of death The author guides us through the four seasons of life from winter The chill of illness overnight New Year Eve of sacrifice and rebirth to summer of internal conflicts and ultimately anchored in autumn The tranquility of gratitude Through a simple yet profoundly philosophical writing style dry concepts like organ donation rejection or chance of life suddenly become soft and deeply moving Here we encounter great mothers with bent backs bearing the weight of the world for their children silent benefactors who sow the seeds of life even in their own passing and tears of happiness shed over healed scars The publisher is pleased to introduce this book to our esteemed readers We hope that *Familiar Stranger* It will be a necessary pause amidst the hustle and bustle of life so that each of us can appreciate more the heartbeat within our chests and believe that An end in one place can sometimes be the brilliant beginning of a new life elsewhere
