

Documentary Research Strategy to Research Canada

Documentary Research: Ethical/Physical significance:	1. Recent work Documentary research has in the past been identified as something of a distinct discipline, thus very far removed from other disciplines. After the documentary movement of the 1960s, documentary research is widely understood by non-specialists as the documentary work of the artist or researcher. It is a long-established and well established discipline. 2. Historical significance Documentary research has a long history throughout the documentary movement, which began in the 1960s and 1970s.
