The Total Joy of Travelling on Public Transport Phil Lowe, 2019-11-12 Ah the total joy of travelling on public transport Do you love travelling with the delightfully varied public and their dubious electronic gadgets and often odious habits Do you mind when the person behind you has a full blown argument on their mobile phone with the speaker positioned at extra loud just so you are sure to get both argumentative sides of the mutual yelling Is it OK for someone to apply their nail polish on a hot bus thereby nearly choking the other passengers to death with the toxic fumes Would special mobile confessionals built into modes of public transport ease the congestion of verbal diarrhoea from total strangers Do you balk at getting up close and personal with the great unwashed Are you the kind of person that finds the joys of travelling on public transport highly amusing or would you rather just throw yourself under a bus
