Time Gone By Sharon E. Laker, 2019-04-11. *Time Gone By* is a comforting children's tale about a group of mice faced with the death of a loved one. This story is set in an abandoned railway station in the small village of Countesthorpe, Leicestershire, England. After the group's storyteller dies, Titania, the Queen of the Fairies, bestows the storyteller role on a naughty little mouse named Key. At first, the Railway Mice are confused and annoyed. Why did Titania give Key such an important role? Blackberry, the wisest mouse, asks the other mice to give Key a chance. The Queen clearly sees something in Key that we don't. She tells them: At first, Key is nervous, but everyone pulls together to support and encourage him. As he tells the exciting story of *The Adventures of Harold Mouse*, Key embellishes the tale with actions and slowly brings a ray of light into what had been a sad, dark time for the Railway Mice. More than death, this story is about the celebration of life, living life to its fullest, and caring for those around you. Does Key succeed in his new role as the Railway Mice of Countesthorpe's storyteller? Only time will tell. One thing for sure, though, is Key's ability to keep everyone entertained with his bright and cheery personality.
