So Close To Heaven:

Heart Quantum Leap Petra Ross, 2025-02-11 Everyone carries within them the longing to be happy and to make a difference in life. This is how human beings are by nature for they are a part of this great creation and represent the pinnacle of what God has created. But most people live isolated lives removed from the great divine system and are no longer aware of their power. The author uses her life story to inspire readers to experience the power of their own hearts which can in the truest sense of the word move the world. She also shows us how we can easily become a helper of good everywhere through the language of our hearts and the acceptance and transmission of divine powers. She finds these experiences confirmed by the latest scientific findings in quantum physics which she explains in a clear and understandable way. The author shows people and the world ways to new quantum leaps. This book is an updated translation from the German 5th edition 2022.

So Close to Home James Blish, 1961 **In the Fire of the Forge** Georg Ebers, 2019-12-11 Georg Ebers's historical novel *In the Fire of the Forge* delves into the intricate world of ancient Egyptian metalworking, weaving a rich tapestry of adventure, romance, and social commentary. Set during the time of the Pharaohs, the narrative follows the life of a gifted blacksmith as he navigates the pressures of duty, love, and ambition amidst a backdrop marked by political intrigue and cultural conflict. Ebers's vivid prose is imbued with meticulous detail, providing readers with a textured understanding of the era's craftsmanship and societal norms while elegantly blending drama with the historical realities of ancient life. Georg Ebers, a noted scholar and writer, was deeply fascinated by Egyptology, a passion reflected strongly in his works. His extensive travels across Egypt and his academic grounding allowed him to bring authenticity and depth to his stories. Ebers sought to evoke empathy towards the lives of ancient peoples, illuminating their struggles and triumphs through engaging storytelling driven by his belief that history should come alive for contemporary audiences. For readers captivated by the rich history of ancient civilizations and the artistry of storytelling, *In the Fire of the Forge* is a compelling invitation. Ebers's masterful blend of fact and fiction offers a profound exploration of human ambition and resilience that will resonate with anyone interested in the enduring legacy of Egypt.
