So Old So Quick:

Not So Fast Tim Hollister, Pam Shadel Fischer, 2025-10-21 This concise practical and potentially life saving book should be required reading for every parent before their teen gets behind the wheel Publishers Weekly Newly updated with the latest information that takes into account the post pandemic changes and rising crash rates Not So Fast third edition provides advice to parents guardians and other adults who supervise teen drivers about the critical decisions that must be made before getting behind the wheel of a car This book helps empower and guide parents of the more than three million teens obtaining new driver s licenses annually in the United States Authors Tim Hollister a parent and safe driver advocate and Pam Shadel Fischer a highly experienced transportation safety professional have been guiding parents of teen drivers for over a decade with this factual and easily applied advice They prove that supervision before driving is every bit as important to lowering crash rates as teaching teens how to turn at a busy intersection Parents will learn priceless information for teaching teenagers how to evaluate the circumstances of every driving trip how to be able to say no when necessary how to prepare a flight plan for each drive and how to put safety before convenience Parents will also benefit by learning the real dangers and risks in teen driving and the limits of driver training programs and will thus become more informed and proactive in their supervisory role

Not So Fast Ann Kroeker, 2010-01-01 We re raising our kids in a high speed high pressured 24 7 world Pushing children to get ahead we cram everything possible into our days to maximize their chance at success We re overloaded overextended overcommitted and over caffeinated And we re paying a price Our relationships are anemic our health in jeopardy Half awake and half hearted we can t sustain this pace But how can we possibly downshift without missing out Not So Fast Slow Down Solutions for Frenzied Families explores the jarring effects of our over committed culture and offers refreshing alternatives Author Ann Kroeker relates her own story of how embracing a slower everyday pace resulted in a more meaningful family and spiritual life Practical ideas and insight will spark creativity and personal reflection Plus ponder real life stories from parents who chunked the high speed lifestyle and reaped the rewards of richer relationships Not So Fast offers hope that families struggling with hurried hearts and frantic souls can discover the rejuvenating power of an unrushed life

Mr. Eternity Aaron Thier, 2016-08-09 An Indie Next Pick Mr Eternity will be sizzling in my brain for a long time Lauren Groff A Thurber Prize Finalist of exuberance and ambition spanning one thousand years of high seas adventure environmental and cultural catastrophe and enduring love Key West 2016 Sea levels are rising coral reefs are dying In short everything is going to hell It s here that two young filmmakers find something to believe in an old sailor who calls himself Daniel Defoe and claims to be five hundred and sixty years old In fact old Dan is in the prime of his life an incredible perhaps eternal American life The story unfolds over the course of a millennium picking up in the sixteenth century in the Viceroyalty of New Granada and continuing into the twenty sixth where in the future Democratic Federation of Mississippi States Dan serves as an advisor to the King of St Louis Some things remain constant throughout the

centuries and being on the edge of ruin may be one In 1560 the Spaniards have destroyed the Aztec and Inca civilizations In 2500 we've destroyed our own the cities of the Atlantic coast are underwater the union has fallen apart and cars plastics and air conditioning are relegated to history But there are other constants too love humor and old Dan himself always adapting and inspiring others with dreams of a better life An ingenious hilarious and genre bending page turner Mr Eternity is multiple novels in one Together they form an uncommon work about our changing planet and its remarkable continuities
