

So Reckless A Love

JG Myers

So Reckless A Love:

So Reckless a Love Eileen Winwood,1995 The Duke of Claremont is surrounded by marriage minded ladies but none to compare to the beautiful Gwynna whose fierce spirit leads her to disguise herself as a boy and search for the Duke and the long kept secrets of her past The tormented Duke is wary of the beauty until she helps him discover the riches of true love

Reckless Love John Newton,2018-05 Stories of Jesus that speak to the grace of God Builds upon the Jesus Movement and evangelism initiatives in the Episcopal Church **The Reckless Love of God** Alex Early,2015-08-25 Assurance of God s Personal Love for Us The startling truth about the love of God has lost its potency It is not a passionless theological idea It is a real love that feels and even suffers Whether you grew up in a Christian home and have forgotten this essential truth or you never knew it in the first place we all need to be reminded and assured that God s love is real and personal The Reckless Love of God is about pulling readers in close and asking if they have really considered what it means to say Jesus loves you Nothing changes lives and grows the church faster more effectively and more thoroughly than being captivated by this reality But the love of Jesus is not just a means to another end Receiving the love of Jesus is the end itself Includes end of chapter questions for individual or group use

The Reckless Love of an Heir Jane Lark,2025-06-30 A BRAND NEW wickedly witty Regency romance of scandal temptation and slow burn desire Perfect for fans of Julia Quinn Evie Dunmore and Bridgerton Will forbidden passion tear their lives apart For Lord Henry Marlow the future Earl of Barrington life is for living No wager is too risky or challenge too dangerous until a racing injury forces the Barrington heir to return home and fulfil his duty But the one thing Henry will not do is bow to his parents wishes and propose to his childhood friend and neighbour beautiful Alethea Forth And he ll not put up with her disapproving sister Susan either no matter how much he enjoys their verbal sparring Independent bookish Susan Forth has always thought Henry arrogant and self centred and has never hidden her dislike of the rogue But this injured vulnerable Henry reluctantly brings out her natural compassion and a shocking desire for the man who is expected to marry her sister But when tragedy strikes could their desires tear their lives apart The fourth novel in the addictively passionate Regency romance series The Marlow Family Secrets for fans of Beverley Watts Eloisa James and Bridgerton Perfect for readers who love STEAMY SPICY historical and regency romance opposites attract wounded heroes loveable rogues and enemies to lovers The perfect escape 5 star reader review Well written and paced Dare you not to cry and then smile 5 star reader review Loved it 5 star reader review A beautiful story It held me captivated till the end 5 star reader review Praise for Jane Lark s historical romances Beautifully descriptive emotional and can I say just plain delicious reading My Devastating Reads What a brilliant read Jane Lark has an incredible talent to draw the reader in from the first page It s a display of raw emotion drama and intimacy Cosmo Chicklitan *A Strange Goodness?* Stephen Ames,2024-04-01 This book is about all the suffering and death produced by natural processes like tsunamis genetic disorders extreme weather events even before climate change and the whole evolutionary process leading to all living things

on the planet The book is not about the violence men and women wilfully do to each other and to the planet Many people find all this suffering and death due to natural processes hard to reconcile with the belief that these natural processes are created by a God who is all powerful all knowing and wholly good They expect such a God to create a different kind of universe without such suffering and death The actual universe contradicts the universe expected This is good enough reason for many people to decide to give up believing in God who is the creator of these natural processes The book is an invitation for people to revisit that decision The book comes from the author co designing and co lecturing with his atheist colleagues in History and Philosophy of Science at The University of Melbourne a second year subject God and the Natural Sciences This took place over twenty years Students with a wide variety of beliefs enrolled in the subject from across the university The book has three chapters The first clarifies the problem in the problem of natural evil to ensure we are not talking past each other The second chapter gives my answer to the problem of natural evil I argue from this idea of God to the kind of universe we should expect God to create The expected universe is found not to contradict the actual universe The third chapter is Reality Checks nine ways of testing the account of the kind of universe we should expect God to create The book has an appendix where I discuss alternative ideas of God that are in circulation and address several other criticisms of the idea of God besides the problem of natural evil
