Soap Opera:

The Soap Opera Muriel G. Cantor, Suzanne Pingree, 1983-06 A comprehensive survey of the history the means of production the content and the impact on audiences of soap operas A sociologist and a specialist in women s studies combine to review the content of soap operas and the way in which they are produced How have the themes of soap operas changed with social convention How do these massively popular serials aimed at a female audience portray women at work and at home The impact of soap opera on its audience the different varieties of soap operas and the differences in structure content and commercial purpose between soap operas and prime time television are also discussed Cantor and Pingree have

performed an important service by bringing together and analyzing a va **The Guide to United States Popular Culture** Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index *Imitations of Life* Marcia Landy, 1991 On melodrama *Celebrity and Power* P. David Marshall, 1997 The celebrity is an ambiguous figure in contemporary culture Simultaneously celebrated and denigrated stars represent not only the embodiment of success but also the ultimate construction of false value They are a peculiar form of public subjectivity that negotiates the tension between a democratic culture of access and a consumer capitalist culture of excess *Celebrity and Power* examines this dynamic questioning the cultural forces behind our need to become endlessly embroiled with the construction and collapse of celebrities Through detailed analysis of figures from Tom Cruise to Oprah Winfrey to the commercial pop music sensation New Kids on the Block author and cultural critic P David Marshall investigates the general

public's desire to associate with celebrity. He examines various kinds of stars, questioning the needs each type fulfills in our lives and relating these needs to particular entertainment media. Marshall asks why enigmatic distant stars populate the silver screen while television constructs approachable everyman figures and popular music features audience-identified celebrity personalities. He looks at the significance of stars who amass cultlike followings as well as those who appear to prompt outright rejection. Celebrity and Power identifies the forces that have enveloped the development of democratic culture and their partial resolution through a redefined public sphere populated by celebrities. Marshall argues that the new concern with the masses that characterizes modern capitalism promotes figures who can be seen as part of the crowd but who are articulated as individuals. As such, they provide a model of self-differentiation that furthers an economy in which product consumption is thought to bestow individualism and personality. Bridging the fields of media studies, film studies, communications, and popular culture, Marshall's volume is a unique resource for students and researchers in all of these disciplines as well as for the general reader. P. David Marshall is director of the Media and Cultural Studies Centre in the Department of English, University of Queensland, in Australia.

The Soap Opera Evolution Marilyn J. Matelski, 2012-08-30
The first daytime dramas began as early as 1930 with *Painted Dreams*. Programmers soon discovered that housewives often controlled the purse strings and soaps became an advertiser's gold mine. They now generate more than 900 million in network revenues annually. Around 50 million people reportedly including congressmen and rock stars as well as two thirds of all American television watching women tune in each weekday afternoon for a dosage of love, loss, and libido via the soaps. This scholarly study examines the soap phenomenon from a sociological point of view. Included in the analysis is classic research by Rudolf Arnheim, Herta and Paul Paulsen, and Helen Kaufman as well as contemporary studies and previously unpublished research. The evolution of popular plotlines and characters as an assessment of reality in today's plots which people watch soaps and why specific plotlines for the 13 soaps presently aired. 40 family trees illustrating program changes the future of soaps all are covered.

The Television Genre Book Glen Creeber, 2015-08-16
Genre is central to understanding the industrial context and visual form of television. This new edition of the key textbook on television genre brings together leading international scholars to provide an accessible and comprehensive introduction to the debates, issues, and concerns of the field. Structured in eleven sections, *The Television Genre Book* introduces the concept of genre itself and how it has been understood in television studies and then addresses the main televisual genres in turn: drama, soap, opera, comedy, news, documentary, reality, television children's television, animation, and popular entertainment. This third edition is illustrated throughout with case studies of classic and contemporary programming from each genre, ranging from *The Simpsons* to *Buffy the Vampire Slayer* and from Monty Python's *Flying Circus* to *Who Wants to be a Millionaire*. It also features new case studies on contemporary shows including *The Only Way Is Essex*, *Homeland*, *Game of Thrones*, *Downton Abbey*, *Planet Earth*, *Grey's Anatomy*, and *QVC* and new chapters covering topics such as constructed reality, travelogues, telefantasy, stand-up comedy, the panel show, 24

hour news Netflix and video on demand *Crisis' Representations: Frontiers and Identities in the Contemporary Media Narratives*, 2020-11-30 This book constitutes a sociological research on the current narrations of the economic and refugee crisis which has mobilized all the aspects of social storytelling during the last decade most particularly in the European South Because the different mass and social media reflect the dominant ideas and representations the research on the meaning of different media narratives becomes a necessary report for the understanding of the relation or inexistent dialogue between official political discourses and popular myths based on everyday life values of prosperity mostly promoted by the mass culture and the cultural industries products Despite the ongoing inequalities and difficulties the contemporary audiences seem to counterbalance misery by the dreams of happiness provided by this kind of products Contributors include Christiana Constantopoulou Amalia Frangiskou Evangelia Kalerante Laurence Larochelle Debora Marcucci Valentina Marinescu Albertina Pretto Maria Thanopoulou Joanna Tsiganou Vasilis Vamvakas and Eleni Zyga To Be Continued... Robert C. Allen, 2002-01-04 To Be Continued explores the world's most popular form of television drama the soap opera From Denver to Delhi Moscow to Manchester audiences eagerly await the next episode of As the World Turns The Rich Also Weep or Eastenders But the popularity of soap operas in Britain and the US pales in comparison to the role that they play in media cultures in other parts of the world To Be Continued investigates both the cultural specificity of television soap operas and their reception in other cultures covering soap production and soap watching in the U S Asia Europe Australia and Latin America The contributors consider the nature of soap as a media text the history of the serial narrative as a form and the role of the soap opera in the development of feminist media criticism To Be Continued presents the first scholarly examination of soap opera as global media phenomenon **The Survival of Soap Opera** Sam Ford, Abigail De Kosnik, C. Lee Harrington, 2010-11-03 The soap opera one of U S television's longest running and most influential formats is on the brink Declining ratings have been attributed to an increasing number of women working outside the home and to an intensifying competition for viewers attention from cable and the Internet Yet soaps influence has expanded with serial narratives becoming commonplace on most prime time TV programs The Survival of Soap Opera investigates the causes of their dwindling popularity describes their impact on TV and new media culture and gleans lessons from their complex history for twenty first century media industries The book contains contributions from established soap scholars such as Robert C Allen Louise Spence Nancy Baym and Horace Newcomb along with essays and interviews by emerging scholars fans and Web site moderators and soap opera producers writers and actors from ABC's General Hospital CBS's The Young and the Restless and The Bold and the Beautiful and other shows This diverse group of voices seeks to intervene in the discussion about the fate of soap operas at a critical juncture and speaks to longtime soap viewers television studies scholars and media professionals alike Encyclopedia of Television Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television

in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website

Soap Opera Dorothy Hobson,2003-01-31 The soap opera is a major form of media art and popular culture Revered and reviled by fans and critics its history spans and reflects social change and plays a vital role in the development of broadcasting This book traces the genre from its beginnings on American radio in the 1930s to the international television genre it has become today While concentrating on British soap operas it also discusses the influence of their American and Australian counterparts This is the first book to consider the soap opera within the economy of broadcasting it includes a chapter based on interviews with leading broadcasting executives who give their analysis of the importance of the soap opera to their industry The perspective of television producers as well as the views of audiences are also taken into account Accessibly written Soap Opera links the genre to both its media and its literary heritage and argues that soap operas cross international boundaries through the universal appeal of their characters and their stories It will be of particular interest to students of media and cultural studies literary studies sociology and television production courses as well as to professionals in the television industry

Young People, Soap Operas and Reality Tv Cecilia von Feilitzen,2004

Women and Soap Opera Christine Geraghty,1991-08-26 This is the first major study of the roles of women in prime time soap operas In a comparative analysis of British and North American television soaps Christine Geraghty examines the relationship between the narratives on the screen and the women viewers who make up the traditional soap audience Within the structure of many of the most popular soaps such as Dallas Dynasty Coronation Street and EastEnders the split between public and personal life reason and emotion work and leisure is turned into a lynchpin of the plot The author argues that these themes are also linked to broader social divisions between men and women divisions which soap operas both question and develop as a source of pleasure Geraghty analyses the critical role of women characters in the families and communities of soaps and suggests that the utopian possibilities of soaps can be used not just to maintain the status quo but to promote change and influence attitudes and prejudices She examines the way in which soaps have been transformed in the last decade looking at how issues of class race sexual orientation and feminism have been handled in the programmes She argues that in pursuing new audiences more recent soaps such as Brookside may have put at risk the pleasures they have traditionally offered their women viewers Women and Soap Opera is a detailed thoughtful and wide ranging analysis which will become a central work in women s studies and media and cultural studies courses

Soap Operas Worldwide Marilyn J. Matelski,1999 While the American soap opera is known primarily for its marketing value producers health professionals politicians and rebels elsewhere focus on the serials potential for social change African Indian and South American serials offer information on family planning child protection and AIDS a Mexican telenovela parallels a government murder scandal the program is so popular the state dare not censor it In Russia South American novelas are so popular that Boris Yeltsin manipulates programming to affect voters on polling day Here is an examination of the economic and social impact of the soap opera with

projections for the future A chapter for each of the nine regions of the world offers demographic statistics of major countries audiences radio and television usage stations available and synopses of the most popular serials Good Times, Bad Times Hugh O'Donnell,1999 Hugh O'Donnell provides a comprehensive analysis of the soap opera format throughout Europe including the UK and the Republic of Ireland covering not only home produced soaps but also imported foreign soaps screened throughout Europe too Watch'Um and Weep Carla Kulka,2016-06-09 Cynthia Cleary had the most beautiful fairy tale wedding She was so delighted to finally be married to the man she loved Todd Marshall Todd was top salesman of Jenson Pharmaceuticals It wasn't long before Cynthia was pregnant and gave birth to their first son Maxwell Now two years old Maxwell is such a sweet little boy When Maxwell goes down for his two hour nap Cynthia watches her two favorite soap operas One Life to Give and A Day in the Lives of Our Families Her life is nothing like a soap opera Life is perfect or so she thinks The A to Z of American Radio Soap Operas Jim Cox,2009-07-17 The period from 1925 to 1960 was the heyday of the American Radio Soap Opera In addition to being part of popular culture the soap opera had important commercial aspects as well that were not only related to their production but also to the desperate need to sell products or perish Both sides of this story are traced in this comprehensive compendium The dictionary section made up of more than 500 cross referenced entries provides brief vignettes of the more popular and also less well known soaps among them Back Stage Wife Our Gal Sunday Pepper Young's Family and The Guiding Light Other entries evoke those who brought these programs to life the actors announcers scriptwriters networks and even the sponsors Nor are the basic themes the stock characters and the gimmick forgotten The book's introduction defines the soap opera examines the span of the radio serial reviews its origins and its demise and focuses on the character types that made up its denizens The chronology outlines the period and the bibliography offers further reading Together these elements make a comprehensive reference work that researchers will find invaluable long into the future *It's Time for My Story* Carol T. Williams,1992-10-30 Soap opera story the only mass public form of continuing narrative today is oral culture for our electronic era Carol Williams *It's Time for My Story* is an examination of soap opera sources structure and response particularly from the critical viewpoints of psychology both archetypal and empirical and popular culture specifically narratology and feminism that uncover the true nature of the genre First Williams traces the development of soap opera from its immediate source in radio and television as well as from its fundamental source in age old myth and storytelling Then she analyzes the content and form that together make up the structure of soap opera Finally she looks at what soaps mean to watchers and in the process debunks many myths about soap opera for instance the myth that soap opera like all television drama is merely commercial produced formulaically by advertisers Williams argues that soap opera is not only a commercial product but also a popular art form derived from the wellspring of culture and folk story She also argues that it is a form which has been depreciated because it is historically a woman's medium Discussions with writers creators and fans are included throughout Recommended to scholars and students

of media drama popular culture and women s studies *Love and Ideology in the Afternoon* Laura Stempel Mumford,1995 A critical study of how soap operas reinforce dominant ideas of gender and sexuality and why soaps seem so pleasurable that women viewers including feminists keep coming back to watch It blends theory criticism and personal practice into an analysis of the genre and its viewers **Speaking of Soap Operas** Robert Clyde Allen,1985 From *Ma Perkins* and *One Man s Family* in the 1930s to *All My Children* in the 1980s the soap opera has capture the imagination of millions of American men and women of all ages In *Speaking of Soap Operas* Robert Allen undertakes a reexamination of the production and consumption of soap operas through the use of a unique investigatory model based on contemporary poetics and reader response theory Although a considerable amount of research has been conducted on these programs Allen argues that soap operas remain a phenomenon about which much is said but little is known Soap operas are different from most other media programming they appear formless refuse to end require little work on the part of the viewer and bear no recognizable marks of authorship For these and other reasons soap operas resist explanation from both traditional aesthetic and empiricist social science perspectives The daytime dramatic serials generate nearly a billion dollars in revenue each year for the three commercial networks Allen discusses in detail the economic and institutional functions of these programs in addition to the context of their production He also considers the historical development of the soap opera as advertising vehicle narrative structure and women s fiction *Speaking of Soap Operas* is based on the author s own experiences as a soap opera viewer extensive interviews with soap opera writers producers and actors and the papers of Irna Phillips creator of dozens of successful radio and television soap operas Drawing also upon trade publications popular periodicals and broadcast archives this work is an important contribution to the field of mass communication
