published February 1974 Also please note that the text in these original Suzuki manuals was translated from Japanese into
English Consequently some of the phrasing grammar punctuation and word usage may be subtly different from that
commonly used in the English language However the information as presented is readily understandable In addition while we
have done our best to identify any anomalies errors and incorrect spelling that may have occurred during the original
translation process we are certain that we will have missed one or two and we request your indulgence in ignoring them
VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have
earned excellent reviews worldwide so you can be assured you are purchasing a quality product We encourage you to
exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet
websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many
are nothing more than poor quality comb bound or ring bound photocopies that are scanned and printed complete with

greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years With more than 250 titles in print VelocePress is one of the fastest growing specialty automobile and motorcycle publishing companies in the USA Please visit our website at www VelocePress com for more information on our company and our books
