*Second-Grade Essentials, Grade 2* Carson-Dellosa Publishing, Lisa Mullarkey, 2012-01-03 Extend learning in the second grade classroom using Second Grade Essentials. This 304 page book is perfect for morning work and for students who always finish their work early. It features fun and challenging activities with extension suggestions on almost every page. The book addresses essential math and language arts skills and presents them in a whimsical, innovative style that students love. This book includes reproducibles and more than 275 activities that utilize coloring, cutting, and gluing skills. It supports Reading First NCTE standards and NCTM standards and aligns with state, national, and Canadian provincial standards.

*Math Workshop, Grade 4* Carson Dellosa Education, Elise Craver, 2018-02-21 Math Workshop for fourth grade provides complete small group math instruction for these important topics: factors and multiples, multiplication and division strategies, decimals, angles. Simple and easy to use, this resource for fourth grade teachers complements any curriculum. Like reading and writing workshops, math workshop is an instructional model that combines whole group lessons with leveled, guided math groups and independent practice. It allows teachers to give students direct, leveled instruction while providing opportunities for practice and skill review. Math Workshop for fourth grade simplifies the workshop method with a comprehensive introduction and over 25 step-by-step lessons. This teacher resource for fourth grade math also includes these helpful features: comprehensive lesson plans, leveled practice pages, hands-on activities for every lesson. The Math Workshop series for kindergarten through fifth grades gives teachers everything they need to implement the math workshop method. Each book contains 28 complete lessons, a thorough introduction, and reproducible game templates. Each lesson begins with an essential question, a warm-up activity, and a whole group lesson. It is followed by three leveled small group lessons and a short assessment. Lessons are rounded out with a practice worksheet for each small group and an activity to practice the skill. Teachers are also provided with math talk questions and a math journal prompt to extend learning. The Math Workshop series gives teachers the flexible tools needed to begin small group math instruction.
