Davidson,1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada s most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were

subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as the Western and establishing a new literary landscape where author and reader could work out new possibilities of being Surveying a range of texts by Canada s most innovative writers with special attention to women writers and Native stories of Coyote he provides close readings of novels by Howard O Hagan Sheila Watson Robert Kroetsch Aritha van Herk Anne Cameron Peter Such W O Mitchell Beatrice Culleton and Thomas King A unique study Coyote Country offers at one and the same time a theory of Canadian Western fiction a history of crosscultural paradigms of the West as manifested in novels and an intensive reading of some of Canada s best literature    **Ariel** ,1985    Essays on Canadian Writing ,1984    **Lund Studies in English** ,1933    *Morning light* [afterw.] *The New-Church weekly* ,1881
