

A black and white photograph of the band The Police. From left to right: Stewart Copeland (drummer), Sting (singer and bassist), and Andy Summers (guitarist). They are all looking directly at the camera with serious expressions. The background is dark and out of focus.

THE POLICE

The Police

London County Council

The Police:

The Novel and The Police D. A. Miller, 1988 With the appearance of D A Miller's remarkable book the Victorian novel has its most dazzling critic in years. Miller's subject is not so much the police in fiction as fiction and policing narrative as a conservative function of the polis. Tracking diverse strategies of surveillance and incarceration into the confines of the fictional institution itself, Miller investigates Victorian novels as the often unconscious agent of a disciplinary culture. He thus reads fiction reading us keeping a public in its private place. His mastery of an intricate, layered and sinuous argument is stunning, the writing no less than superb. For all the book's overarching debt to Foucault, D A Miller does the police in a voice all his own. Garrett Stewart, author of *Death Sentences: Styles of Dying in British Fiction*

The Police Spy, Or The Metropolitan Police William White (Captain), 1838 The Police Manager Egan K. Green, Ronald G. Lynch, Scott R.

Lynch, 2024-01-22 The Police Manager provides a roadmap for the challenges that police administrators face in their day to day duties including considerations for dealing with subordinate officers and for interacting with the public. Covering a wide range of topics from fiscal management to use of force policies, this text prepares readers for the tasks that police managers are confronted with. Readers benefit by gaining a thorough understanding of the complexities involved in an occupation that creates demands from the public, from public officials and from other police officers. The book delivers information on these issues with chapters dedicated to leadership styles and planning for leadership loss as well as civil liability considerations. New material in this edition covers specific challenges for small and underexamined police agencies such as university police departments. The Police Manager is an ideal textbook for college students hoping to work in police administration in the future and is useful for current police managers who know that their jobs require a constant influx of ideas for overcoming new challenges.

Return of Crimes and Offences Reported to the Police Dundee (City). Police Department, Dundee (Scotland). Chief Constable's Office, 1960

Police Violence William A. Geller, Hans Toch, 1959-12-11 Although the prevalence of police-citizen conflict has diminished in recent decades, police use of excessive force remains a concern of police departments nationwide. This timely book focuses on what is known and what still needs to be learned to understand, prevent, and remediate police abuse of force. The topics covered include a theory of police abuse of force, the causes of police brutality, measures of its prevalence, the violence-prone police officer, public opinion about police abuse of force, the issue of race, officer selection, training, and attitudes, police unions, and police culture, administrative review, procedural justice, and the review of citizen complaints, the role of lawsuits, and a survey of police brutality abroad. In the final chapter, Geller and Toch suggest new directions for research and practical innovations in law enforcement from which both police and citizens can benefit. The contributors to this volume are scholars of criminology, criminal justice, social psychology, law, and public administration, former police managers, a police union leader, civilian oversight agency administrators, and analysts, civil liberties advocates, police litigation experts, witnesses, and media commentators. The combination of theoretical and practical

perspectives makes this book ideal for students and scholars of democratic policing and for those in police departments government and the media charged with addressing and understanding the problem of improper exercise of force **Police and Community Relations on Crime Prevention and Control in Nigeria** Aliyu Ishaq Abdullahi,2023-12-21 Bachelor Thesis from the year 2023 in the subject Politics Region Africa grade B course Sociology language English abstract The aim of this study is to assess the efforts of the Nigerian Police Force and community members towards crime prevention in Bosso Local Government Area of Niger State The objectives are to examine the collaboration between Nigerian Police Force and community members on crime prevention and control in Bosso Local Government Area Niger State and to find out the role of community members towards crime prevention and control in the study area Furthermore the paper wants to identify the challenges faced by the Nigerian Police Force towards crime prevention and control in the study area and to understand the problems faced by community members towards crime prevention and control in the study area Crime in every society portrays a great effect capable of disturbing peaceful co existence and development of the society No one feels safe in a society that is characterized by criminality For this every society adopts measures it deems fit for addressing it Crime itself is a fuzzy phenomenon as criminologist and sociologist contend with what action or inaction account for a crime as it is diverse subjective relative and depends largely on perspectives events or legal analysis Regardless of these complexities crime refers to a negation of what the law of a society states or an aberration of expected societal conduct In recent years the international community has recognized that development in general and the achievement of the Millennium Development Goals MDG in particular are contingent on the establishment of safety and securities in societies High level of violence in cities and communities are detrimental to social and economic progress as well as the well being of citizens As stated in the report of the Secretary General on the Rule of Law and Transitional Justice in Post Conflict Societies prevention is the first imperative of the Criminal Justice **Report on the Administration of the Police** Orissa (India).
