**Victoria and Albert** Evelyn Anthony,2015-11-17 Drawn from Queen Victoria s diaries and correspondences Evelyn Anthony s novel reimagines the story of how a sheltered eighteen year old girl ascended to the British throne became a major force in politics and fell in love with her husband When King William dies his teenage niece Victoria becomes queen In spite of her youth and lack of experience the eighteen year old surprises her detractors by taking the reins with poise and grace vowing to always put the welfare of her realm first Yet from the moment she meets her cousin the handsome fair haired Albert she becomes obsessed by love Homesick for Germany Albert wishes the petite birdlike creature would choose someone else But when Victoria asks him to share her life he has no choice but to say yes Evelyn Anthony s novel captures Victoria s passion for Albert along with the contradictions in her personality and monstrous ego that almost destroyed her marriage Although she bore Albert nine children Victoria lacked maternal instinct In many ways she mirrored the callous

indifference of the era Child labor and grueling fourteen hour workdays were commonplace in Victorian England Spanning the first twenty one years of her reign Victoria and Albert is a love story and a revealing portrait of a marriage
