Truth in Our World Today Bing Goodman,2025-03-18 Truth in Our World Today addresses the need to find truth which is becoming more obscured and diluted in woke circles that are widening and influencing adults teens and even unsuspecting children today This book addresses how to find and recognize truth from error It reveals and outlines tactics used by those who oppose truth as they promote destructive agendas This book puts side by side the agendas and dogmas opposing truth contrasting them with unchangeable truths in a way that clear choices can easily be seen These comparisons made without emotional conflict show points on both sides directly and clearly Truth is not often given voice or stage and is often shouted down today Here truth is given voice and perspective which is so hard to find It is my hope that truth becomes easier to discern so it can be readily chosen and can bring true joy into the life of the reader Acting upon unchanging eternal truths taught by Jesus Christ is the way to find happiness and true joy in life
