Sources Of Farm Power:

Farm Power and Mechanization for Small Farms in Sub-Saharan Africa B. G. Sims, Josef Kienzle, 2006 Many previous publications on farm mechanization draught animal power hand tool technology etc have tended to be narrowly focused The topic of farm power and mechanization also tended to be separated from the actual process of growing crops This manual looks at putting the different sources of farm power mechanization machines equipment and tools in a much broader context Farm power requirements need to be viewed with reference to rural livelihoods and to farming systems as well as to the critical area of labour saving in HIV AIDS hit populations No one particular type of technology is advocated
