South Pasadena

Huangqi Zhang

South Pasadena:

South Pasadena's Raymond Hotel Rick Thomas,2008 Built in lavish Victorian style in 1886 atop Bacon Hill the Raymond Hotel was the most regal feature on the skyline in the San Gabriel River Valley a sundown silhouette of the wealth and prominence that had coalesced in the Pasadena area It became the base of activities for Eastern tycoons families enjoying the balmy Southern California climate even fostering the development of the winter mansions on Orange Grove Avenue After the original 200 room hotel with 80 chimneys burned down on Easter Sunday in 1895 the second 300 room Raymond Hotel opened in 1901 The pioneering orange groves on the sprawling grounds gave way to a golf course Pres Theodore Roosevelt and Charles Chaplin are just two examples of the early 20th century celebrities who stayed there This visually stunning collection of images is a mere sample of the vintage professional photography that exists of South Pasadenas iconic landmark

South Pasadena's Ostrich Farm Rick Thomas,2007-01-01 Edwin Cawston courted the early 20th century publics fascination with exotic foreign creatures when he began raising ostriches for more than the use of their feathers in the clothing industry When Cawston brought the enormous flightless African birds onto prime real estate in the Arroyo Seco of South Pasadena Los Angeles County more than a few observers thought that the looniest bird might be him But Cawston was determined to showcase struthio camelus the biggest bird in the world at 8 vertical feet and 350 pounds The Cawston Ostrich Farm soon became one of the most popular Southern California attractions drawing millions to watch people ride the birds bareback at a cruising speed of 35 miles per hour Cawston supplied ostrich plumes for budget minded consumers as well as fancy feathers for Vaudeville dancers movie actresses and even European queens becoming a great promoter and showman of his time
