Southeastern Studies Toward A D 2000:

My Quests for Hope and Meaning Rosemary Radford Ruether, 2013-10-02 This book is an autobiography tracing Rosemary Radford Ruether's intellectual development and writing career. Ruether examines the influence of her mother and family on her development and particularly her interactions with the Roman Catholic religious tradition. She delves into her exploration of interfaith relations with Judaism and Islam as well. Her educational formation at Scripps College and the importance of historical theology is also a major emphasis. Mental illness has also affected Ruether's nuclear family in the person of her son and she details the family's struggle with this issue. Finally in this intellectual autobiography Ruether explores her long concern and involvement with ecology, feminism, and the quest for a spirituality and practice for a livable planet.

Resurrection and Responsibility Keith Dyer, David J. Neville, 2009-09-01 This collection of studies by friends, colleagues, students, and associates of Thorwald Lorenzen centers on his pivotal research interests: the theological and ethical implications of a relational understanding of the resurrection of Jesus Christ. In two major works on the resurrection, Lorenzen demonstrated the radical ramifications for Christian discipleship of affirming a relational perspective on the resurrection, especially with regard to social justice, human rights, ecumenical dialogue, and holistic spirituality. The purpose of this book is to honor the theological work of Thorwald Lorenzen by examining anew and pressing ahead with certain aspects of his own research interests: whether in historical and systematic theology, biblical exegesis and hermeneutics, or social ethics and spirituality.

Not an Easy Journey Walter B. Shurden, 2005 Shurden on Baptists: Assessments, Appreciations, Apologies contains articles, essays, and speeches given by Walter Shurden on Baptists. Walter Shurden is a longtime champion of the role of freedom in the Baptist tradition. Recognizing that freedom alone does not tell the whole story, Shurden also speaks to and from other cardinal Baptist convictions. Some of the materials in this volume appear for the first time and consist of speeches and addresses that Shurden has made at crucial points in recent Baptist life in America in the latter part of the twentieth century. Especially concerned with the fundamentalist takeover of the Southern Baptist Convention and the resulting lack of emphasis on historic Baptist principles, Shurden addresses directly and indirectly the SBC controversy in several of the chapters of this book. More, Shurden emphasizes what makes Baptists distinctive in American religious life.

Sensus Fidelium Daniel J. Finucane, 2016-02-19 Daniel J. Finucane's original work assesses the long history of the understanding and use of the concept of *sensus fidelium* and develops criteria from its history and the teachings of Vatican II to critique the postconciliar use of the concept. This is a comprehensive work in both its scope of history and its treatment of contemporary theologies of the concept, as well as suggesting a significant role for hermeneutical issues. The variety of views on the *sensus fidelium* challenges the traditional understanding of the concept. In this study, criteria are offered here for reassessing the *sensus fidelium* in the light of Vatican II's teaching and the concept's history. Major theological perspectives on this topic since Vatican II are surveyed and explicated. Among the theologians and philosophers discussed are Newman
