## Soviet Cultural Scene 1956 1957:

The Soviet cultural scene, 1956-1957 W.Z. Laqueur,G. Lichtheim,1958      **A History of Postwar Russia** Roger Pethybridge,2021-11-29 First Published in 1966 A History of Postwar Russia covers sixteen years of Soviet history from the closing stages of the Second World War 1945 until the Twenty second Soviet Party Congress 1961 dealing with both domestic and foreign policy and their influence on each other It aims at giving the overall shape of Soviet history in these years The author argues that in Soviet society each sector of activity must be viewed in relation to the whole so that the monolithic pattern of totalitarian politics can be appreciated More than any other major power the Soviet Union did not submit easily to compartmentalized study since every branch of Soviet life was carefully trimmed to grow towards the Communist aim This book is an essential read for scholars and researchers of Soviet history Soviet politics European history Russian history and comparative politics      **Area Handbook for the Soviet Union** Eugene K. Keefe,1971 One of a series of handbooks prepared by Foreign Area Studies FAS of the American University      *The Soviet Cultural Scene, 1956-1957* Soviet survey (London : 1956),1958      The Soviet Cultural Scene 1956-1957. Editors W.Z. Laqueur and G. Lichtheim Walter Z. Laqueur,Walter Ze'ev LAQUEUR (and MOSSE (George Lachmann)),George Lichtheim,1958      The Dancer Defects David Caute,2003-09-04 The cultural Cold War between the Soviet Union and the West was without precedent At the outset of this original and wide ranging historical survey David Caute establishes the nature of the extraordinary cultural competition set up post 1945 between Moscow New York London and Paris with the most intimate frontier war staged in the city of Berlin Using sources in four languages the author of The Fellow Travellers and The Great Fear explores the cultural Cold War as it rapidly penetrated theatre film classical music popular music ballet painting and sculpture as well as propaganda by exhibition Major figures central to Cold War conflict in the theatre include Brecht Miller Sartre Camus Havel Ionesco Stoppard and Konstantin Simonov whose inflammatory play The Russian Question occupies a chapter of its own based on original archival research Leading film directors involved included Eisenstein Romm Chiarueli Aleksandrov Kazan Tarkovsky and Wajda In the field of music the Soviet Union in the Zhdanov era vigorously condemned modernism formalism and the avant garde A chapter is devoted to the intriguing case of Dmitri Shostakovich and the disputed authenticity of his autobiography Testimony Meanwhile in the West the Congress for Cultural Freedom was sponsoring the modernist composers most vehemently condemned by Soviet music critics Stravinsky Schoenberg Hindemith among them Despite constant attempts at repression the Soviet Party was unable to check the appeal of jazz on the Voice of America then rock music to young Russians Visits to the West by the Bolshoi and Kirov ballet companies the pride of the USSR were fraught with threats of cancellation and the danger of defection Considering the case of Rudolf Nureyev Caute pours cold water on overheated speculations about KGB plots to injure him and other defecting dancers Turning to painting where socialist realism prevailed in Russia and the impressionist heritage was condemned Caute explores the paradox of Picasso s

membership of the French Communist Party Re assessing the extent of covert CIA patronage of abstract expressionism Pollock De Kooning Caute finds that the CIA's role has been much exaggerated likewise the dominance of the New York School Caute challenges some recent one dimensional American accounts of Cold War culture which ignore not only the Soviet performance but virtually any cultural activity outside the USA The West presented its cultural avant garde as evidence of liberty even through monochrome canvases and dodecaphonic music appealed only to a minority audience Soviet artistic standards and teaching levels were exceptionally high but the fear of freedom and innovation virtually guaranteed the moral defeat which accelerated the collapse of the Soviet Union *Reports and Documents* United States.
