*Daily Meditations 2025* Omraam Mikhaël Aïvanhov, 2024-11-14 Every morning before you do anything else you must give yourself a few quiet moments of reflection so as to begin your day in peace and harmony and unite yourself to the Creator by dedicating the new day to Him through prayer meditation It is the beginning that is all important for it is then at the beginning that new forces are set in motion and given direction If we want to act wisely and well we have to begin by casting some light on the situation You do not look for something or start work in the dark you start by lighting a lamp so that you can see what you are doing And you can apply the same principle to every area in life in order to know what to do and how to do it you have to switch on the light in other words to concentrate and look into yourself Without this light you will wander in all directions and knock on many different doors and you will never achieve anything worthwhile Our days follow the direction that we give to our first thoughts in the morning for depending on whether we are mindful or not we either clear the way ahead or litter it with all kinds of useless and even dangerous debris Disciples of initiatic science know how to begin the day so that it may be fruitful and rich in God's grace and so that they may share that grace with those around them They understand how important it is to begin the day with one fundamental thought around which all the other thoughts of the day may revolve If you keep your sights fixed on a definite goal a clear orientation an ideal all your activities will gradually organize themselves and fall into line in such a way as to contribute to the realization of that ideal Even the negative or alien thoughts or feelings that attempt to infiltrate you will be deflected and put at the service of the divine world Yes even they will be forced to follow the direction you have chosen In this way thanks to the fundamental thought that you place in your head and your heart first thing in the morning your whole day will be recorded in the book of life And since everything we do is recorded once you have lived one glorious day one day of eternal life not only will that day be recorded not only will it never die but it will endeavor to get the days that follow to imitate it Try to live just one day as well as you possibly can therefore and it will influence all your days it will persuade them to listen to its testimony and follow its example so as to be well balanced orderly and harmonious Omraam Mikhaël Aïvanhov      *The Splendour of Tiphareth* Omraam Mikhaël Aïvanhov, 2012-04-09 When we focus our attention on the sun the centre of our universe we draw closer to our own centre our higher self the sun within we melt into it and begin to resemble it more and more But to focus our attention on the sun also means to learn to mobilize all our thoughts desires and energies and put them to work in the service of the highest ideal He who works to unify the chaotic multitude of inner forces that constantly threaten to tear him apart and launch them in the pursuit of one luminous beneficial goal becomes a powerful focal point capable of radiating in every direction Believe me a human being who masters the tendencies of his lower nature can benefit the whole of mankind He becomes as radiant as the sun His freedom is such that his consciousness embraces the whole human race as he pours out the superabundance of light and love that dwell within him The world needs more and more human beings capable of dedicating themselves to this work

with the sun for only love and light are capable of transforming humanity Omraam Mikhaël Aïvanhov **A New Dawn**

Omraam Mikhaël Aïvanhov, 2020-09-24 What is evolution A change of form To manifest itself the mind always needs new forms because form does not change and must be replaced When we say that time destroys everything it only concerns forms over principles time has no power The forms are useful necessary but after a certain time even a religion must abandon them to welcome new purer more elaborate forms This is why Christendom should not seek to perpetuate forms inherited from a distant past such an attitude goes against the decrees of Cosmic Intelligence which shatter old forms to make new ones happen So may the Church not be surprised to be jostled whatever she does her old forms will be broken Christians must understand that the forms in which their religion was given to them centuries ago have lost their effectiveness and must be replaced so that the content the spirit of Christ can be better expressed Omraam Mikhaël Aïvanhov Table of contents 1 Forms and Principles 2 The Religion of Christ 3 The Idea of a Pan World 4 The Cosmic Body 5 The Kingdom of God and His Righteousness 6 The New Jerusalem Cosmic Balance Omraam Mikhaël Aïvanhov, 2012-12-12 Presentation A symbol that dominates all creation The symbol of the Libra is universal and used among other things to represent justice But above all it is a powerful subject for meditation and reflection for it is by balancing this Libra within us that we will achieve a greater understanding of ourselves of life and of the whole of creation harmonizing the positive and the negative the masculine and the feminine rigor and mercy attraction and repulsion water and fire On September 23rd the Sun enters the sign of Libra Scales or Balance and this is the autumn equinox After the ascending phase from Aries to Virgo comes the descending phase from Libra to Pisces Libra is the seventh sign on the zodiacal belt Why you may wonder are there scales in the heavens and what do these scales teach us This is the only sign of the zodiac that does not represent a living being human or animal It is an inanimate object and not just any object but an instrument for weighing things It is as though its two pans were there to maintain the balance between the powers of darkness and light of life and death Libra the Scales of the zodiac is a reflection of the cosmic scales the equilibrium between the two opposite and complementary principles thanks to which the universe came into being and continues to exist The symbol of the scales which we find also in the sephirothic Tree of Life dominates the whole of creation Omraam Mikhaël Aïvanhov Table of contents 1 Cosmic Balance and the Number Two 2 Oscillation of the Scales 3 One and Zero 4 The Role of The Masculine and The Feminine I Adam and Eve Spirit and Matter II Adam and Eve Wisdom and Love III The Mental and Astral Planes IV Man and Woman 5 God Transcends Good and Evil 6 The White Head and the Black Head 7 Alternation and Antagonism The Law of Opposites 8 To Work the Miracles of One Thing The Figure of Eight and the Cross 9 The Caduceus of Hermes The Astral Serpent 10 Iona Principle of Life Horeb Principle of Death 11 The Triad Kether Chesed Geburah I Sceptre and Orb II Mind and Heart III A Straight Line and a Curved Line 12 The Law of Exchange 13 The Key and the Lock 14 The Work of the Spirit on Matter The Holy Grail 15 Union of the Ego with the Physical Body 16 The Sacrament of the Eucharist 17 The Androgynes of Myth 18 Union with the Universal Soul and the Cosmic Spirit

**Daily Meditations 2024** Omraam Mikhaël Aïvanhov, 2023-11-28 22 June You want life to be smooth and pleasant without problems or unhappiness But why don't you ask yourself about the underlying meaning of the obstacles that exist in nature and in life instead If the path up a high mountain were smooth you would never be able to climb to the top in order to breathe the pure air and admire the beautiful view because you would have nothing to cling to You would keep sliding down to the bottom of the precipice This is what happens to those whose life is too easy too comfortable they lose their grip on life as well as on their fortune their health even their sanity Since you are climbing up the slopes of a spiritual mountain do not ask that they be smooth Be grateful for the rough edges for it is they that give you a handhold and enable you to keep advancing towards the light     The Second Birth Omraam Mikhaël Aïvanhov, 2013-08-14 To be born a second time is to be born to a new life the life of the Kingdom of God the life of the great Universal White Brotherhood Two thousand years ago in Palestine Jesus gave us the key to all spiritual work when he said Unless a man be born of water and the Spirit he cannot enter into the Kingdom of God Today the Master Omraam Mikhaël Aïvanhov interprets these words for our benefit The water Jesus speaks of is Love the Spirit fire is Wisdom and Love and Wisdom unite to give birth to Truth which is the new life In his commentary the Master Omraam Mikhaël Aïvanhov shows how these three virtues of Love Wisdom and Truth correspond to man's psychic structure composed of heart mind and will Explaining that our physical bodies mirror our psychic being he shows how Cosmic Intelligence has inscribed the secret of love in our mouths that of wisdom in our ears and that of truth in our eyes This volume which is the first of a series sets out the essential foundations of Omraam Mikhaël Aïvanhov's Teaching and reveals the vast scope of his thought in which Holy Scripture esoteric symbolism and the sciences of man and of nature meet and complete each other in one all embracing synthesis Table of contents 1 The Second Birth 2 Ask and it Shall be Given to You Seek and You Shall Find Knock and it Shall be Opened to You 3 Truth is Hidden in the Eyes 4 Wisdom is Hidden in the Ears 5 Love is Hidden in the Mouth 6 Love Wisdom and Truth 7 The Master of the Universal White Brotherhood Peter Deunov 8 The Living Chain of the Universal White Brotherhood     **International Books in Print**, 1997     **Forthcoming Books** Rose Army, 1990     *Paperbound Books in Print 1995* Reed Reference Publishing, 1995-12     Subject Guide to Books in Print, 1993     **Paperbound Books in Print**, 1992     **Small Press Record of Books in Print** Len Fulton, 1994     The British National Bibliography Arthur James Wells, 2005     The Cumulative Book Index, 1990 A world list of books in the English language     **The Quest**, 1990     Das Schweizer Buch, 1994     The Fruits of the Tree of Life Omraam Mikhaël Aïvanhov, 1991-04-01     **The Tree of Life** H.
