Cicely & Other Stories Annie F. Johnston,2023-08-17 What happens when the ordinary intertwines with the extraordinary Cicely Other Stories by Annie F. Johnston invites readers into a world where the mundane meets the magical set against the backdrop of late 19th century America This collection of tales captures the essence of a time when society was on the brink of modernity yet still deeply rooted in tradition Each story

unfolds in a changing setting from bustling urban landscapes to serene rural vistas painting a vivid picture of the era's social dynamics and cultural shifts. The central theme of transformation weaves through the narratives as characters navigate personal growth, societal expectations, and the timeless quest for identity. Johnston's keen observation of human nature is evident in her portrayal of diverse characters, each grappling with their own challenges and desires. Whether it's a young woman's struggle for independence or a child's innocent discovery of the world, these stories resonate with universal truths and emotions. The collection delves into themes of love, change, and the pursuit of happiness, offering a reflection on the human condition that is both timeless and timely. Through her eloquent prose, Johnston captures the nuances of her characters' inner lives, inviting readers to ponder their own journeys and the choices that define them. By exploring the intersection of personal and societal change, *Cicely Other Stories* offers readers a window into a world both familiar and foreign. The stories encourage introspection and empathy, reminding us of the enduring power of storytelling to connect and inspire.

Laura And Other Stories Collection Guillem March, 2022-08-24 Before his work on *Batman* and the hit *Joker* series before he created *Karmen*, there was the heartfelt story of *Laura*, the book that led Guillem March to the mainstream comics world. Suffering from the ever painful experience of unrequited love, twenty-year-old *Laura* takes a look at her life. Does the fact that the boy she has feelings for is in love with someone else mean there is something wrong with her? Or is that just how young love goes? And what will happen when she tries to get past the hurt and move on with her life? *Laura* is an exploration into the mind of a young woman who has experienced something most people have but in an honest and beautiful way that only Guillem March can bring us. Other stories in the book include *Irene*, which explores the nature of inspiration and creating art outside of one's comfort zone, thanks to some advice from a role model, and a cameo by Guillem himself. And in *Muse*, an artist's search for a model puts how a young woman is perceived by her male roommates into perspective. Includes bonus material, cover gallery, and more in this hardcover collection.

A Troublesome Girl and Other Stories Margaret Wolfe Hungerford, 1889

Rosamond, or, the Youthful Error: A Tale of Riverside; And Other Stories Mary Jane Holmes, 2019-12-16 In *Rosamond or the Youthful Error: A Tale of Riverside; And Other Stories*, Mary Jane Holmes intricately weaves tales that reflect the complexities of human relationships, morality, and personal growth. Holmes explores themes of youthful indiscretion and redemption against the backdrop of a changing society, allowing readers to ponder the social constructs of her time while engaging deeply with the emotional arcs of her protagonists. Mary Jane Holmes, a prominent figure in American literature, was known for her keen observations on societal norms and the intricacies of female experience. Her own life experiences as a woman navigating the literary landscape of the 19th century informed her narratives, revealing a sensitivity to the challenges faced by women. Holmes's background in education and her commitment to moral storytelling are evident throughout her work, offering a thoughtful reflection on the

struggles and aspirations of her characters This collection is highly recommended for readers interested in 19th century American literature as it provides a rich exploration of personal and societal dilemmas through Holmes's insightful prose Rosamond offers not only compelling stories but also a window into the moral complexities of an evolving America making it a significant addition to any literary canon **Feminist Narrative Research** Jo Woodiwiss, Kate Smith, Kelly

"Tell It to Us Easy" and Other Stories Judith Musser, 2011-12-14 During the Harlem Renaissance several literary periodicals encouraged African American women to submit poetry, short stories, essays or other literary contributions for publication. Opportunity magazine was one such periodical that made immeasurable contributions to the careers of many female African American writers. This anthology collects all of the short stories published in Opportunity by African American women during the magazine's 25 years of publication. It includes works by both well known authors Zora Neale Hurston, Marita Bonner and more obscure writers. There is also an additional African tale translated by Violette de Mazia, a white woman known for promoting African American art. It also includes an introduction which contextualizes the short stories historically in light of the overall development of African American writing.
