## **The Gaiety Of Gables Ontario's Architectural Folk Art:**

The Gaiety of Gables Anthony Adamson, 1974 The story of Ontario's barge boards also called verge boards and by the unversed gingerbread     Heritage Treasures Susan Evans Shaw, 2004-10 The region's finest heritage homes come to life in glorious colour in the pages of this authoritative new book Within the communities of Hamilton and Burlington are many fine heritage homes built in the nineteenth and early twentieth centuries Together Hamiltonians Susan Evans Shaw and Jean Crankshaw combed the streets and reviewed archive files to choose a selection that represents the many hundreds of heritage homes in the Hamilton Burlington area Author Susan Evans Shaw researched the history of each home and the people who have lived in it Jean Crankshaw photographed each one on the day and time that would show it at its best This book offers a selection of sixty of these homes ranging from modest one storey cottages to the very grand mansions This architectural heritage is a cultural treasure that Heritage Treasures recognizes and celebrates     The Gaiety of Gables

Anthony Adamson, John Williard, 1974     **Many voices** Carole Henderson Carpenter, 1979-01-01 This volume provides a historical overview of the development and role of Anglo Canadian folklore studies in Canada and their relationship to similar research conducted with respect to French Canadians minority groups within Canada within the wider Canadian context and at the international level Published in English     Primitives & Folk Art, 1979     **Eric Arthur** Harold Kalman, 2025-11-21

Eric Arthur 1898 1982 was a transformative figure in Canadian architecture His many contributions extended across design teaching preservation urban planning criticism and architectural history This book explores his extensive influence and his legacy in shaping the creation the profession and the public awareness of architecture Art history and architecture professor Harold Kalman examines how Arthur spent his long career at the University of Toronto where he taught and motivated countless aspiring architects many of whom went on to become leaders in the field As the long time editor of the Journal of the Royal Architectural Institute of Canada he guided architectural discourse and taste with his critiques articles and editorials His popular book Toronto No Mean City 1964 3rd ed ed by S A Otto 1986 brought architectural history to the wider public and cemented his central role as a commentator on the city's urban environment A charismatic leader for preservation advocacy and a founding member of the Architectural Conservancy of Ontario Arthur increased public appreciation for old buildings His efforts are showcased at the restored St Lawrence Hall Arthur was equally influential as a champion for the modern movement He attracted outstanding modern architecture to his city most notably in his central role in creating the internationally admired Toronto City Hall The book honours a Canadian cultural icon demonstrating how Arthur extended his work beyond theory and into practice through a lifelong dedication to architecture and urban planning leaving a lasting legacy in heritage conservation     **A Compendium of Canadian Folk Artists** Terry Kobayashi, Michael S. Bird, 1985     **Canadian Folklore** Edith Fowke, 1988 In this study of Canadian folklore Edith Fowke a much published scholar and anthologizer of Canadian folklore argues that it is the material that is handed on by tradition either by word of

mouth or by custom and practice about which historians write She examines in detail collectors folktales folk music minor genres speech riddles proverbs childlore beliefs folk arts and material culture folklife and customs and various books about these subjects *Casa Frumoasă* Jan Harold Brunvand,2003 Home to the New York Yankees the Bronx Zoo and the Grand Concourse the Bronx was at one time a haven for upwardly mobile second generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream Once hailed as a wonder borough of beautiful homes parks and universities the Bronx became during the 1960s and 1970s a national symbol of urban deterioration Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson crime and housing abandonment turning blocks of apartment buildings into gutted graffiti covered shells and empty trash filled lots In this revealing history of the Bronx Evelyn Gonzalez describes how the once infamous New York City borough underwent one of the most successful and inspiring community revivals in American history From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York's growing and increasingly more diverse African American and Hispanic populations this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods the heady optimism of industrial progress and the despair of economic recession and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough's rejuvenation In recounting the varied and extreme transformations this remarkable community has undergone Evelyn Gonzalez argues that it was not racial discrimination rampant crime postwar liberalism or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s Rather the decline was inextricably connected to the same kinds of social initiatives economic transactions political decisions and simple human choices that had once been central to the development and vitality of the borough Although the history of the Bronx is unquestionably a success story crime poverty and substandard housing still afflict the community today Yet the process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future *Canadiana*

,1975 **Catalog of the Avery Memorial Architectural Library of Columbia University. 2d Ed., Enl** Avery Library,1968 *O Kanada* Akademie der Künste (Berlin, Germany),Canada Council,1982 *Canadian Books in Print* Martha Pluscauskas,1976 *OKanada* ,1982 *Centre Canadien D'études Sur la Culture Traditionnelle.
