The Gambler With The Diary Of Polina Suslova:

The Gambler, with Polina Suslova's Diary Fyodor Dostoyevsky, 1972 **The Gambler [by] Fyodor Dostoevsky** Fyodor Dostoyevsky, Edward Wasiolek, 1972 *The Gambler* Edward Wasiolek, 1973 **The Dostoevsky Archive** Peter Sekirin, 1997-01-01 Fyodor Mikhailovich Dostoevsky 1821–1881 one of the greatest novelists of the 19th century continues to be one of the writers most focused upon in academia throughout the world With the recent opening of numerous archives in the former Soviet Union much new material has come to light that has not yet been incorporated in published works or standard curricula The Dostoevsky Archive comprehensively documents the entire life of the Russian novelist using contemporary Russian source documents the author's own letters and notes and those of his family and the memoirs of his contemporaries This full-scale reference work includes a detailed chronology an annotated bibliography and brief biographies of important contemporaries Fully indexed Dostoevsky Joseph Frank, 2020-03-31 Volume three of one of the greatest literary biographies of our time Joseph Frank's award-winning five-volume Dostoevsky is widely recognized as the best biography of the Russian novelist in any language and one of the greatest literary biographies ever written In this monumental work Frank blends biography intellectual history and literary criticism to illuminate Dostoevsky's works and set them in their personal historical and ideological context More than a biography in the usual sense this is a cultural history of nineteenth-century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work This volume begins with the writer's return to Saint Petersburg after a ten-year Siberian exile and traces how his engagement in the cultural and social ferment of Russia in the early 1860s led to his discovery of the themes that would underlie his mature masterpieces **Picked-Up Pieces** John Updike, 2013-01-15 In John Updike's second collection of assorted prose he comes into his own as a book reviewer most of the pieces picked up here were first published in *The New Yorker* in the 1960s and early 70s If one word could sum up the young critic's approach to books and their authors it would be generosity Better to praise and share he says in his Foreword than to blame and ban And so he follows his enthusiasms which prove both deserving and infectious Kierkegaard Proust Joyce Dostoevsky and Hamsun among the classics Borges Nabokov Grass Bellow Cheever and Jong among the contemporaries Here too are meditations on Satan and cemeteries travel essays on London and Anguilla three very early golf dreams and one big interview Picked Up Pieces is a glittering treasury for every reader who likes life books wit and John Updike **Neglected Scorsese** Phillip Sipiora, Gary D. Rhodes, 2025-09-18 This collection examines over a dozen of Martin Scorsese's most overlooked works including the television shows music videos television commercials and feature films that have been largely ignored by film critics and the moviegoing public *Studies in Short Fiction*, 1985 Revelations Mary Jane Moffat, Charlotte Painter, 1975-06-12 Excerpts from the private diaries of women known and unknown among them Louisa May Alcott Sophie Tolstoy George Eliot Anais Nin *Canadian-American Slavic Studies*, 1973 A quarterly journal devoted to Russia and East Europe **Forum**

,1980 *Forum International* ,1980 *The New Encyclopaedia Britannica: Macropaedia : Knowledge in depth* ,2003

Call If You Need Me Raymond Carver,2001 **Literary Criticism and Philosophy** Joseph Strelka,1983 The interconnections between literary criticism and philosophy are as editor Strelka mentions manifold and far reaching A view of these relationships is presented from three broad stations in this volume of the yearbook First the standpoint that principles of literary scholarship are formulated by philosophical means is explored with credence given to the pioneering work of Polish philosopher Roman Ingarden The second angle that practical criticism is both influenced by and based on philosophy is reinforced by Aristotle s early connections with philosophy and literary theory and by the identification of the methods and the craft of criticism with philosophy Finally the scholar s tasks of exposing philosophical ideas buried within a text and of then defining these ideas are considered Critical revelation of philosophical thought can pose various problems Morris Weitz points out for example that the discovery of several philosophical ideas in one literary work leads the scholar to ask whether any one is the idea of the piece *Pushkin Poems and Other Studies* Joseph Thomas Shaw,1996 **Yearbook of Comparative Criticism** Joseph Strelka,1968 *The Supernatural in Slavic and Baltic Literature* Amy Mandelker,Roberta Reeder,1988 Dostoevsky and Social and Metaphysical Freedom Tatyana Buzina,2003 In asserting people s responsibility for their actions and ultimately their fate Buzina global studies Trinity College contends that Russian writer Fyodor Dostoyevsky 1821 81 constantly argues with his characters who sometimes adhere to different and often much more deterministic representations of fate She describes the full spectrum of ideas about fate encountered in his works in order to demonstrate their interrelation to trace their evolution and to show how characters fluctuate between different notions of fate Drawing on both anthropological and literary approaches she juxtaposes his ideas with those of German philosopher Schelling The text is double spaced Annotation c 2003 Book News Inc Portland OR booknews com
