## **The Forgotten Son:**

The Forgotten Son Andy Frankham-Allen,2025-01-15 The Brigadier from BBC TV's Doctor Who meets the Yeti once again in Cornwall. For Colonel Alistair Lethbridge Stewart his life in the Scots Guards was straightforward enough, rising in the ranks through nineteen years of military service. But then his regiment was assigned to help combat the Yeti incursion in London, the robotic soldiers of an alien entity known as the Great Intelligence. For Lethbridge Stewart life would never be the same again. Now he has a mammoth task ahead of him: the repopulating of London, millions of civilians need to be returned home after being evacuated so suddenly. On top of that he also has his engagement to think about. Meanwhile in the small Cornish village of Bledoe a man is haunted by the memory of an accident thirty years old. The Hollow Man of Remington Manor seems to have woken once more. And in Coleshill, Buckinghamshire, Mary Gore is plagued by the voice of a small boy calling her home. **The Forgotten Son** stars Colonel Alistair Lethbridge Stewart from the classic era of Doctor Who.

## **THE FORGOTTEN SON FOUND UNDER THE BED**

CARLTON DENNIS SLOLEY, 2014 It's a known fact that the history of black people in the West Indies is one of dispersal through slavery and later on through migration. From the forties onwards many people left the West Indies for England. Some to satisfy their adventurous spirit, others because they were answering the call of the mother land to help rebuild it after the Second World War. Later on they came in search of a better future.

The Forgotten Child of Zimbabwe Debra Chidakwa-akue, 2022-08-01 December 1966 A baby girl is born in the forests of central Zimbabwe. Seventeen years on, on a cold concrete floor at Gatwick, she arrives alone, afraid and abandoned by the country she fought for. **The Forgotten Child of Zimbabwe** is the heart rending story of Debra Mina Chidakwa Akue, her early life of abuse, slavery, war and betrayal. Set during the years of Zimbabwe's long and bloody struggle for independence, Debra's journey shines a harrowing light on life in her country, how conflict and power corrupts and what horror the human spirit can somehow endure. It is through one girl's life experiences and the desire to share how we meet with life's challenges and how we should never give up that the author opened her heart to share a journey of a thousand miles full of pain, heartache, disappointments, near death experiences, physical and emotional abuse and the experiences of the bitter liberation war in Zimbabwe. Through every little journey that she endured, there exists tremendous encouragement, inspiration, sadness and thought provoking encounters of which some will send shivers in your spine. **The Forgotten Child of Zimbabwe** reveals the hidden agendas and real life stories that human beings experience which is sometimes impossible to talk about. **The Forgotten Child of Zimbabwe** brings into the open the realities of life through the life and experiences of this brave young African girl. It will leave you with a challenge to take control of your life to do something positive and to see other human beings with fresher eyes. It will make you laugh, cry and celebrate life and uplift you as well, give you hope and be thankful. It is a story that is difficult to put down as it takes you on
