The Four Feathers Penguin Classics:

The Four Feathers A. E. W. Mason, Gary Hoppenstand, 2001-10-01 Just before sailing off to war in the Sudan British guardsman Harry Feversham quits his regiment He immediately receives four white feathers symbols of cowardice one each from his three best friends and his fianc e To disprove this grave dishonor Harry dons an Arabian disguise and leaves for the Sudan where he anonymously comes to the aid of his three friends saving each of their lives Having proved his bravery Harry returns to England hoping to regain the love and respect of his fianc e This suspenseful tale movingly depicts a distinctive code of honor that was deeply valued and strongly promoted by the British during the height of their imperial power For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Perilous Escapades**

Gary Hoppenstand, 2018-04-19 Adventure fiction is one of the easiest narrative forms to recognize but one of the hardest to define because of its overlap with many other genres This collection of essays attempts to characterize adventure fiction through the exploration of key elements such as larger than life characters and imperialistic ideas in the genre s 19th and 20th century British and American works like *The Scarlet Pimpernel* by Orczy and *Captain Blood* by Sabatini The author explores the cultural and literary impact of such works presenting forgotten classics in a new light **Masculinities in**

British Adventure Fiction, 1880-1915 Joseph A. Kestner, 2016-05-06 Making use of recent masculinity theories Joseph A Kestner sheds new light on Victorian and Edwardian adventure fiction Beginning with works published in the 1880s when writers like H Rider Haggard took inspiration from the First Boer War and the Zulu War Kestner engages tales involving initiation and rites of passage experiences with the non Western Other colonial contexts and sexual encounters Canonical authors such as R L Stevenson Rudyard Kipling Joseph Conrad and Olive Schreiner are examined alongside popular writers like A E W Mason W H Hudson and John Buchan providing an expansive picture of the crisis of masculinity that pervades adventure texts during the period Penguin Classics Penguin (Firm), 2001 **From Journey's End to The Dam Busters**

Roland Wales, 2016-09-30 Kingston playwright R C Sherriff came to fame with his First World War drama *Journeys End* which was based on his own experiences as a young officer on the Western Front Its success made him a household name and opened the door to a highly lucrative career as a novelist playwright and screenwriter in Hollywood and in Britain Many of his movies *The Invisible Man* *Goodbye Mr Chips* *The Four Feathers* *Odd Man Out* *Quartet* and of course *The Dam Busters* are still well known but the man behind them much less so This book rediscovers Sherriff using his own words his letters diaries published and unpublished manuscripts to shed light on a man who ironically gained his greatest success from the trench warfare he found so difficult to bear The Worlds of Dune Tom Huddleston, 2023-09-26 An impressive work of granular

Dunesploitation Empire Magazine Some writers build worlds Others birth entire universes In the decades since its publication Frank Herbert's Dune has become arguably the best selling and certainly the best known science fiction novel ever written So how did an ex Navy newspaperman from Washington State come to write such a world conquering novel And how was he able to pack it with so many layers of myth and meaning Herbert's boundless imagination was sparked by a dizzying array of ideas from classical history to cutting edge science from environmentalism to Zen philosophy and from Arabic texts to Shakespeare's tragedies Beginning on Arrakis and going planet by planet The Worlds of Dune offers a supremely deep dive into Herbert's universe detailing along the way the many diverse strands that he wove into his epic creation to offer a visually rich accompaniment to this sci fi legend [Penguin Classics Complete Annotated Catalog](#) Penguin Books,2003 [Directory](#) Modern Language Association of America,2001 **The Four Feathers** A. E. W. Mason,Gary Hoppenstand,2001-10-01 **The Publishers Weekly** ,2002 **Bowker's Guide to Characters in Fiction** 2007 ,2008-02 **General Catalogue of Printed Books** British Museum. Department of Printed Books,1968 *The British Library General Catalogue of Printed Books to 1975* British Library,1983 *Paperbound Books in Print* ,1992 *Paperbacks in Print* ,1969 **The British Library General Catalogue of Printed Books, 1986 to 1987** British Library,1988 **The English Catalogue of Books** ,1966 **British Book News** ,1946 Includes no 53a British wartime books for young people [The British National Bibliography Cumulated Subject Catalogue](#) ,1968 *British Cinema in Pictures* Patricia Warren,1993 A pictorial history of the British cinema from 1896 to 1993 with over 1 000 stills and captions Ideal entertainment for the movie buff and a reference for the film student or enthusiast this book is an illustrated account of British films and stars It includes behind the scenes insights as well as tributes to the greats of British cinema and acknowledges the contribution of some of the lesser known artists who entertained audiences along the way
