## **The Four Witnesses:**

Four Witnesses Rod Bennett, 2009-09-03 What was the early Church like Contrary to popular belief Rod Bennett shows there is a reliable way to know Four ancient Christian writers four witnesses to early Christianity left us an extensive body of documentation on this vital subject and this book brings their fascinating testimony to life for modern believers With all the power and drama of a gripping novel this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church Clement of Rome Ignatius of Antioch Justin Martyr and Irenaeus of Lyons A treasure The early Church and its teachings come to life in this story Did the first Christians believe what you believe Buy this book read the words of the early Church Herself and fall in love with the historic Church that Christ Himself founded David Currie Author Born Fundamentalist Born Again Catholic Rod Bennett has immersed himself in the fascinating writings of four early Fathers of the Church and has made the discovery from reading them that sincere and attentive readers of them ought to make The author's imaginative account of these four great Church Fathers is not only an excellent introduction to their work it is a convincing rendering of what the early Church must really have been like This is an important new contribution to Christian apologetics Kenneth Whitehead Author One Holy Catholic and Apostolic **The Four Witnesses** Isaïc da Costa, 1851 **The Four Witnesses: Being a Harmony of the Gospels on a New Principle. By Dr. Isaac Da Costa ... Translated [from the Dutch] by David Dundas Scott**, 1851 The Four Witnesses Modise Tlharesagae, 2024-02-27 The four witnesses are like unto men standing by the way side doing word of mouth publicity They will keep narrating the same things in myriad forms For they cannot say their words as they did before but they would narrate facts as they happen to them So the four writings of the gospel of Jesus Christ are like that Each man wrote what he saw as he remembered it Not as it happened but way later so both time and chance played a serious role in their contradictions and agreements But at the end of it all they all say they saw Jesus and he walked among them That is enough evidence to move us to follow him to the cross And when we reconcile the evidence brought about by the four books they are all centered on the fact that he did work the miracles and he did live among them and he did teach a certain way and he said to them he is going ahead to prepare us a place *The Four Witnesses* Isaïc da Costa, 1855 The Four Witnesses Robin Griffith-Jones, Jesus 2000 Ltd., 2001-04-03 Who Do You Say I Am Four Witnesses Offer Strikingly Different Testimony to the Life and Death of Jesus Bringing the stories of Jesus to life for the contemporary reader Robin Griffith Jones revives the original power and intent of each of the four gospels He presents a lively discussion of how and why each gospel was written considering the substance and style of the testimony itself as well as the unique context of each story Mark's gospel tells the rebel's story of Jesus as a failed revolutionary whose mission mysteriously succeeds For the rabbi Matthew Jesus is the long awaited fulfillment of Jewish expectation For Luke Jesus is a heroic compassionate social revolutionary who confidently and mercifully dies on behalf of all humanity John's gospel is a mystic's interpretation of the divinity of Jesus told in powerful poetic language Who do you say I

am Each gospel offers its own answer to Jesus question influenced by the context of its writing and the personality of its writer All four gospels taken together provide what one alone could not a remarkably full and compelling presentation of Jesus and his message
