**The Function of the Orgasm** Wilhelm Reich, 1986-05 This book describes Reich's medical and scientific work on the living organism from his first efforts at the Medical School of the University of Vienna in 1919 to the laboratory experiments in Oslo in 1939 which revealed the existence of a radiating biological energy orgone energy The subject of sexuality is basic to this work and Reich shows clearly its importance for human life and its relevance in understanding the social problems of our time The Function of the Orgasm, 1948 The Function of the Orgasm Wilhelm Reich, 1989-08 Over twenty years

Wilhelm Reich a psychologist and doctor of medicine studied the relationship between the emotional physiological and physical functions of biological energy He saw the orgasm as the key to the body's energy metabolism discovering that the biological emotions governing the psychic processes are themselves the immediate expression of strictly physical energy which he named the cosmic orgone Initially derided Reich's theories are now seen as crucial to our understanding of ourselves and our fellow men In appreciating why the orgasm brings a feeling of physical and emotional well being we can also gain insight into the physical and emotional ills that result from a thwarting of this bioenergetic function Many researches into psychic energy believe that the aura recorded by Kirlian photography is nothing less than the manifestation of Reich's orgone energy **The Function of the Orgasm** Wilhelm Reich, 2023-10 Wilhelm Reich was born in Austro

Hungary in 1897 After becoming a doctor of medicine and prominent psychoanalyst in Sigmund Freud's inner circle by the 1920s Reich went on to focus his attention on the relationship between the emotional physiological and physical functions of the biological energy underlying human emotional experience which he called orgone He saw psyche and soma as a unified whole and the goal of therapy to balance the body's energy metabolism by dissolving characterological and muscular defenses which he called armor He saw the function of the orgasm which he described as any natural living process involving the buildup of mechanical tension energetic charge energetic discharge and mechanical relaxation as central to the understanding of healthy functioning This book is a kind of scientific autobiography in which the author traces his personal and professional development from his first interactions with Freud and psychoanalysis in 1919 through the approximately 20 tumultuous and highly productive years that followed **The function of the orgasm** Wilhelm Reich, 1961 *The Discovery of the Orgone: The function of the orgasm; sex-economic problems of biological energy* Wilhelm Reich, 1948
