**Derek B. Scott**

## **The Gaiety Years:**

**The Gaiety Years** Alan Hyman,1975      **Fantasies of Empire** Joseph Donohue,2005-09 In the London summer of 1894 members of the National Vigilance Society led by the well known social reformer Laura Ormiston Chant confronted the Empire Theatre of Varieties Leicester Square and its brilliant manager George Edwardes as he applied for a routine license renewal On grounds that the Empire s promenade was the nightly resort of prostitutes that the costumes in the theatre s ballets were grossly indecent and that the moral health of the nation was imperiled Chant demanded that the London County Council either deny the theatre its license or require radical changes in the Empire s entertainment and clientele before granting renewal The resulting license restriction and the tremendous public controversy that ensued raised important issues social cultural intellectual and moral still pertinent today Fantasies of Empire is the first book to recount in full the story of the Empire licensing controversy in all its captivating detail Contemporaneous accounts are interwoven with Donohue s identification and analysis of the larger issues raised What the controversy reveals about contemporary sexual and social relations what light it sheds on opposing views regarding the place of art and entertainment in modern society and what it says about the pervasive effect of British imperialism on society s behavior in the later years of Queen Victoria s reign Donohue connects the controversy to one of the most interesting developments in the history of modern theatre the simultaneous emergence of a more sophisticated varied and moneyed audience and a municipal government insistent on its right to control and regulate that audience s social and cultural character and even its moral behavior Rich in illustrations and entertainingly written Fantasies of Empire will appeal to theatre dance and social historians and to students of popular entertainment the Victorian period urban studies gender studies leisure studies and the social history of architecture

**The Performing Century** T. Davis,P. Holland,2015-12-17 This book looks at modes of performance and forms of theatre in Nineteenth century Britain and Ireland On subjects as varied as the vogue for fairy plays to the representation of economics to the work of a parliamentary committee in regulating theatres the authors redefine what theatre and performance in the Nineteenth century might be      *Revisiting the Popular in Music History* Derek B. Scott,2025-12-18 This book brings together a significant part of Derek B Scott s diverse academic work showing that the cultural history of music matters not only for the understanding it can bring to the meaning and purpose of music making but also because it can play a role in the development of social justice and a democratic culture Where music history is concerned Scott argues that we should offer interpretations that question the extent to which critics and historians have prized ethnicity and nationality in artistic works No branch of the arts furnishes more examples of borrowing re using and appropriating across cultures than music and this is especially evident today in forms of popular music on all continents around the world The global and the local are not the oppositional entities they once were A history that focuses on cosmopolitanism resonates with the world in which we now live a world of migration and tourism involving the constant transfer exchange translation and adaptation of different cultural

practices and artifacts Most of the articles in the collection have previously been published in hard to find conference proceedings and edited volumes or have not been published at all The book will be important for those studying musicology music history especially of popular music styles and cosmopolitanism Gilbert and Sullivan Regina B. Oost,2016-12-05 Making use of archival resources in the United Kingdom and the United States Regina B Oost examines advertisements promotional materials and programs as well as letters diaries and account books to reconstruct the ways in which Richard D Oyly Carte W S Gilbert and Arthur Sullivan attracted and shaped the expectations of theatergoers Her findings place the Savoy operas in the context of other West End productions considering similarities between Carte s promotional methods and those of managers Henry Irving John Hollingshead and Marie and Squire Bancroft While all of these managers astutely understood patronage of a middle class audience to be key to their success the Savoy collaborators made strategic use of circumstances unique to their situation to distinguish Gilbert and Sullivan operas from contemporary theatrical fare From Trial by Jury 1875 through The Grand Duke 1896 the Savoy operas celebrated the commodity culture beloved of the urban middle classes validated a moral code that secured the social privileges audience members cherished and ultimately provided a new model of British national identity that replaced the agrarian ideal espoused by earlier generations Written in admirably accessible and jargon free prose Oost s book will appeal to scholars of theater history literature music and popular culture as well as general readers interested in Gilbert and Sullivan and the history of the D Oyly Carte Opera Company Fifty Years of Vaudeville Ernest Henry Short,1978 Men and Women of the Time ,1891 The Stock Exchange Year-book ,1895

**The Continuum Companion to Twentieth Century Theatre** Colin Chambers,2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice All the Year Round Charles Dickens,1887 Musical Comedy on the West End Stage, 1890 - 1939 L. Platt,2004-03-09 This book offers the first full historical treatment of a music theatre that was once at the centre of London s West End From the late Victorian period to the early 1920s musical comedy was the single most popular form of legitimate theatre entertainment This lively account establishes musical comedy as one of the first industrial cultures and offers fascinating insights into how it functioned ideologically as a celebrated embracing of the modern condition **“The” Roman Poets of the Augustan Age** William Y. Sellar,1892 The Roman Poets of the Augustan Age William Young Sellar,Andrew Lang,1892 **All the Year Round - Conducted by Charles Dickens** ,1893 The Christian Year Edward Traill Horn,1876 The Splendid Years Mary

Walker,1955    *The Statist* ,1888    The Splendid Years Maire O. Shiubhlaigh,1955    *Macready and Forrest; and their contemporaries.- [v.5] The present time* Brander Matthews,1886    The academy ,1889

## Reviewing **The Gaiety Years**: Unlocking the Spellbinding Force of Linguistics
