Sourcebook Of Pastoral Letters:

Sourcebook of Pastoral Letters Communication Resources, Inc,2003 **The Door** ,1993 *Windows on Early Christianity* James W. Aageson,2016-03-18 This book is introductory but it is not an introduction to biblical content or to the history of early Christianity in the typical sense Each of the chapters addresses a different aspect of the material and provides its own perspective on the origin of the church and early Christianity The chapters begin with questions that in turn focus the discussions The chapters can be read as independent freestanding arguments and can be mixed and matched enabling readers to investigate the respective topics independently However the chapters also follow a logical narrative line In addition images and diagrams are used to assist in making critical points and to enrich the visual sense of the material The image of the window serves to give readers lines of sight into the material where historical intersections and patterns begin to emerge *Sex and the Church in the Long Eighteenth Century* William Gibson,Joanne Begiato,2017-02-28 The Long Eighteenth Century was the Age of Revolutions including the first sexual revolution In this era sexual toleration began and there was a marked increase in the discussion of morality extra marital sex pornography and same sex relationships in both print and visual culture media William Gibson and Joanne Begiato here consider the ways in which the Church of England dealt with sex and sexuality in this period Despite the backdrop of an increasingly secularising society religion continued to play a key role in politics family life and wider society and the eighteenth century Church was still therefore a considerable force especially in questions of morality This book integrates themes of gender and sexuality into a broader understanding of the Church of England in the eighteenth century It shows that rather than distancing itself from sex through diminishing teaching regulation and punishment the Church not only paid attention to it but its attitudes to sex and sexuality were at the core of society s reactions to the first sexual revolution **The New Testament in Antiquity** Gary M. Burge,Lynn H. Cohick,Gene L. Green,2010-12-21 The New Testament in Antiquity is a textbook for college and seminary students penned by three evangelical scholars with over fifty years of combined experience in the classroom Their challenge was to build a text that would be engaging academically robust richly illustrated and relevant to the modern student This book strikes a balance between being accessible to all students and challenging them to explore the depths of the New Testament within its cultural worlds The New Testament in Antiquity carefully develops how Jewish and Hellenistic cultures formed the essential environment in which the New Testament authors wrote their books and letters It argues that knowing the land history and culture of this world brings remarkable new insights into how we read the New Testament itself Numerous sidebars provide windows into the Jewish Hellenistic and Roman worlds and integrate this material directly with the interpretation of the literature of the New Testament This is an ideal introductory text for classroom use with ample discussion questions and bibliographies **Wise Church** Scot McKnight,Daniel J. Hanlon,2021-03-31 Wise Church is about rethinking church cultures so they become more of a wisdom culture The topics vary as widely as church life itself letter writing as pastoral

care the work life of congregants evangelism music church economics spiritual formation as the pursuit of wisdom racial justice marriage learning how to teach like Jesus gospeling like the apostles and the wise use of social media These studies are by pastors and scholars pondering wisdom but more than that they are pondering the life we all live in a wise way We and our churches need wisdom not simply because we live in an ever changing world but because the God we worship is himself wise Wise church cultures reflect the wisdom of God back into the world a world looking for wisdom With contributions from Jeff Bannman Jeremy Berg Brandon Evans Pete Goodman David Johnston Ernest F Ledbetter III Julie Murdock Joshua Little John M Phelps Ivan Ramirez Bill D Shiell **Paul, the Pastoral Epistles, and the Early Church** James W. Aageson, 2008 What happened to Paul after Paul This book examines the relationships between Paul's undisputed writings the Pastoral Epistles and the Pauline legacy adopted and adapted by the early church Book jacket **The Cumulative Book Index**, 1984 A world list of books in the English language **Through the Eyes of Women** Jeanne Stevenson Moessner, 1996 A comprehensive survey of care of women by women from a religious standpoint results from the collaboration of nineteen leading women in the field of pastoral care Subjects include the role of women in pastoral theology and pastoral care care of African American women and of women entering ministry The book treats anger aggression lesbian identities loss of mothers eating disorders hysterectomy mastectomy rape and older women's issues The volume concludes with women's spiritual care community self sacrifice and self denial **Daily Prayer 2002** Bryan M. Cones, 2001-04 Daily Prayer 2002 provides a simple order of prayer for each day of the liturgical year and is ideal for use by high school students teachers catechumens candidates and any Christian who wants to pray each day according to the rhythm of the church Each daily prayer page is dated and includes a psalm scripture reading reflection intercessions the Lord's Prayer and a closing prayer **American Catholic Opinion in the Slavery Controversy** Eugene Owen Golob, Madeleine Hooke Rice, Seymour Louis Wolfbein, 1944 American Catholic Opinion in the Slavery Controversy Madeleine Hooke Rice, 1944 **Daily Prayer 2004** Bryan M. Cones, 2003-02 *Catholic Schools in the United States: A-L* Thomas C. Hunt, Ellis A. Joseph, Ronald James Nuzzi, 2004 **African Theology in Images** Martin Ott, 2007 This is a revised and updated edition of the comprehensive study of the role of art in the process of inculturation in Africa first issued in 2000 The study is a substantial contribution toward a theology of inculturation in Africa and enriches the debate on indigenous African and Christian artistic traditions It represents the first systematic theology constructed in and from Malawi that establishes a theology of symbolic expression in Africa **Subject Guide to Books in Print**, 1993 **Theology Digest**, 1973 The Catholic Peace Tradition Ronald G. Musto, 1986 American Book Publishing Record, 1997-09 **Paperbound Books in Print**, 1992
